Changes from the last version

The following updates have been made to the last published version of the myplace provider portal step-by-step guide.

As of May 2024:

1. Updated the enquiries section (page 20-25)

Introduction

The **myplace** provider portal is a secure website developed for providers to manage their transactions with the NDIA, and view and manage their services with Participants. This step-by-step guide describes how the **myplace** portal works and provides the general layouts of the menus and screens in the portal.

It also includes instructions for using each of the functions in the portal.

What can you do in myplace?

You can use **myplace** to:

- View your contact details
- View your NDIS (National Disability Insurance Scheme) registration details including updates to registration groups and professions
- Link another registered provider organisation (if applicable)
- View messages received from NDIS
- Instant message with your linked participants
- Create and manage service bookings
- Create and view payment requests (previously known as claims)
- View and respond to quotes received from NDIS
- View referrals made to your organisation
- View Support Coordination Requests for Service and action these requests
- Upload required documents
- Submit and review enquiries or complaints
- Download reports about all your service bookings and participants
- Learn how to use the my NDIS provider portal

Minimum internet browser requirements

To access **myplace**, there are minimum browser requirements. These are:

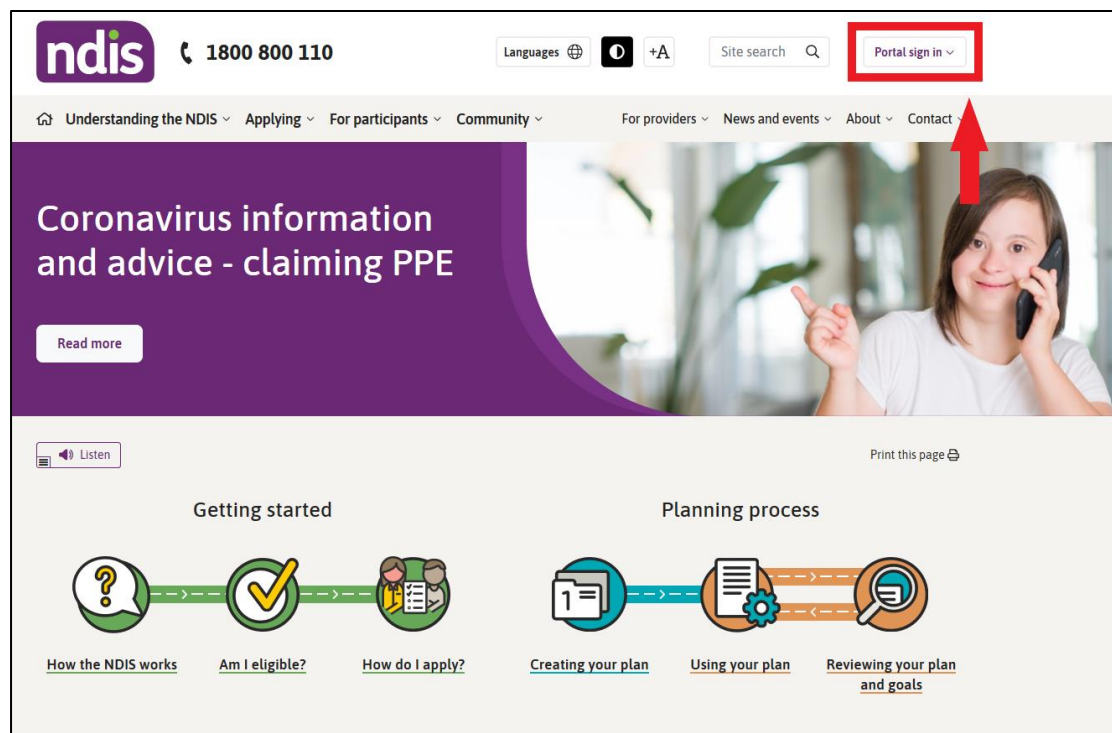

- Google Chrome
- Microsoft Internet Explorer 11 on Windows 8.1 or Windows 10
- Microsoft Edge
- Mozilla Firefox
- Safari on Mac OS X

Accessing myplace

1. Access the **myplace** portal using the link provided on the [NDIS website](https://myplace.ndis.gov.au) or type <https://myplace.ndis.gov.au/supplier> in your internet browser.

2. If you already have a Provider Digital Account (PRODA), please enter your **PRODA Username** and **Password** then select **Login**.

3. If you do not have a PRODA (Provider Digital Access) account, please refer to the PRODA - Step-by-step guide found on the [NDIS website](#).

Create a Provider digital account

If you do not have a Provider Digital Account, please refer to the **myplace** registration for new providers - Step-by-step guide found on the [NDIS website](#).

Select a provider

A list of the organisation(s) you may act for (work on behalf of) is displayed.

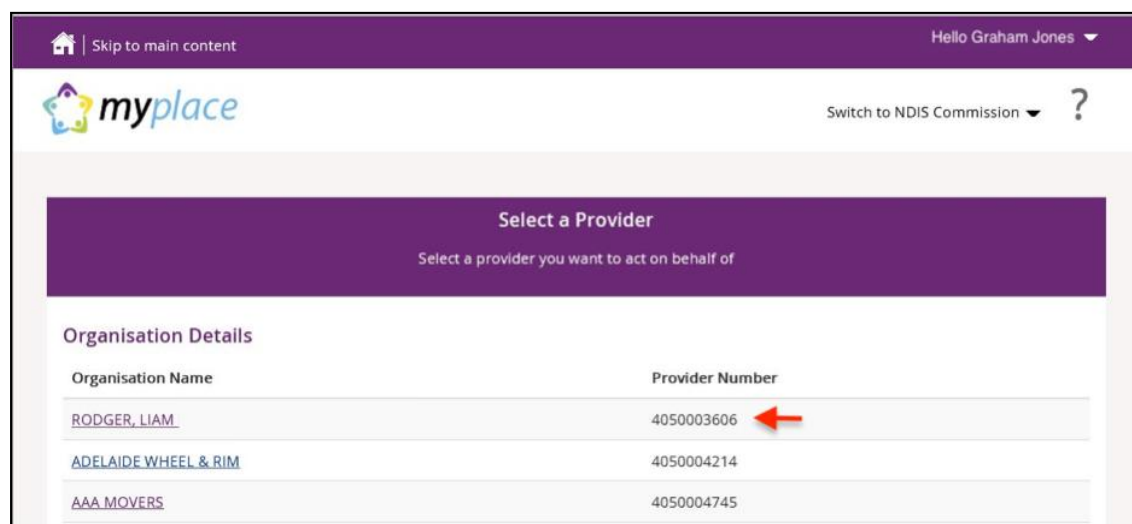

1. Select the organisation you wish to use **myplace** for on this occasion. The system will then display information relating to only that organisation.

Note: The provider number may also be referred to as Business Partner Number (BPN).

Note: You can select a different organisation at any time using the '**Acting for**' link at the top right of the home page.

Note: If the organisation you are acting for is not on the list, you can link to it using **Link to my Organisation**.

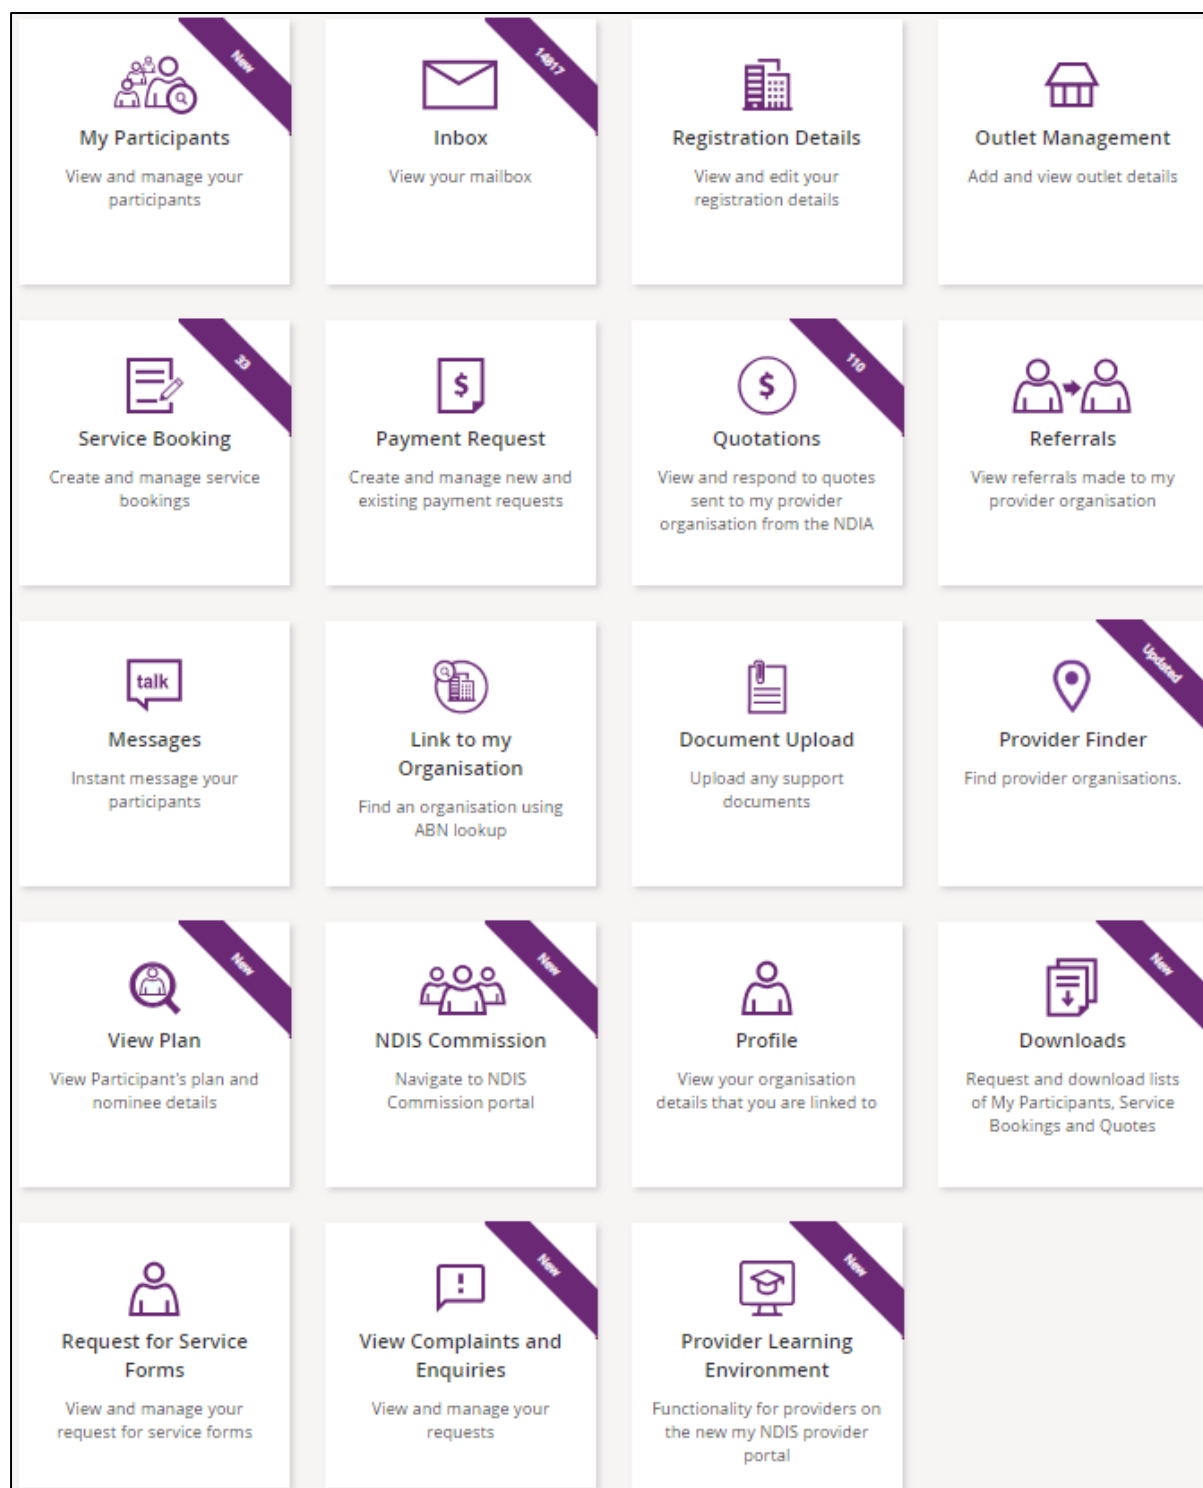

Organisation Name	Provider Number
RODGER, LIAM	4050003606
ADELAIDE WHEEL & RIM	4050004214

Provider portal navigation

Using a function

Select the relevant tile displayed in the **myplace** home page to go into that section of the provider portal.

Tip: From most functions within the portal, the person icon on the top right of the screen will take you directly to your **Profile**.

You will note that some tiles have a purple banner across the top right-hand corner with a number showing. This indicates the number of items that have not been actioned. For

example, the **Inbox** tile below shows a purple banner with the number '6'. This indicates that there are six messages in your Inbox requiring attention.

Returning to the myplace home page

You can return to the **myplace** home page in any of the following ways:

1. Select the **myplace** logo (top left corner of the portal page).

2. Select the **Home** button (top left corner of the portal page) to return to the **myplace** home page.

3. Select the **Home** link in the breadcrumb trail below the **myplace** logo.

Help and feedback

Getting help

Select the question mark icon (top right corner of the portal page) for simple explanations of the functions displayed.

Call NDIA on 1800 800 110 if you are unable to resolve a problem or need help to use **myplace**.

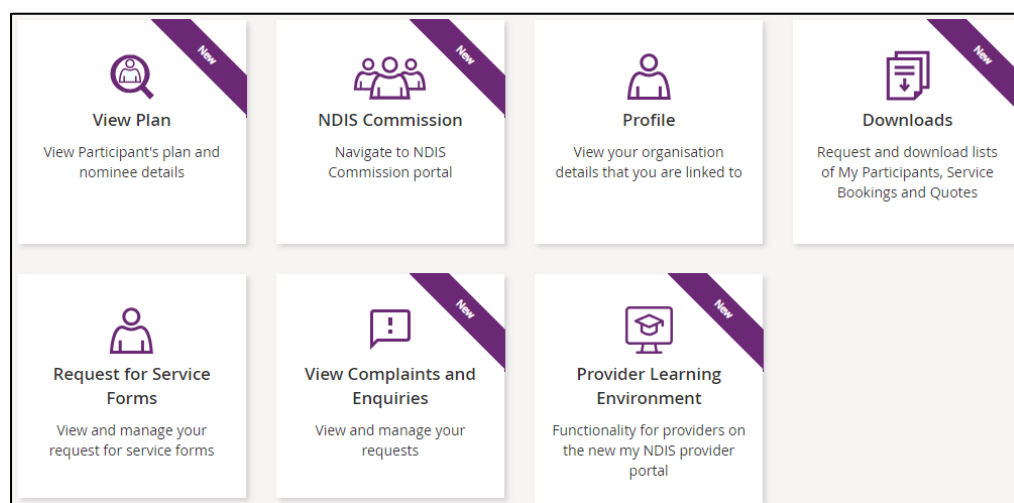

Submit payment enquiries, complaints, compliments, feedback and other enquiries

The **View Complaints and Enquiries** tile provides you with the options you need to submit:

- a payment enquiry
- complaints, compliments and other feedback
- any additional enquiries.

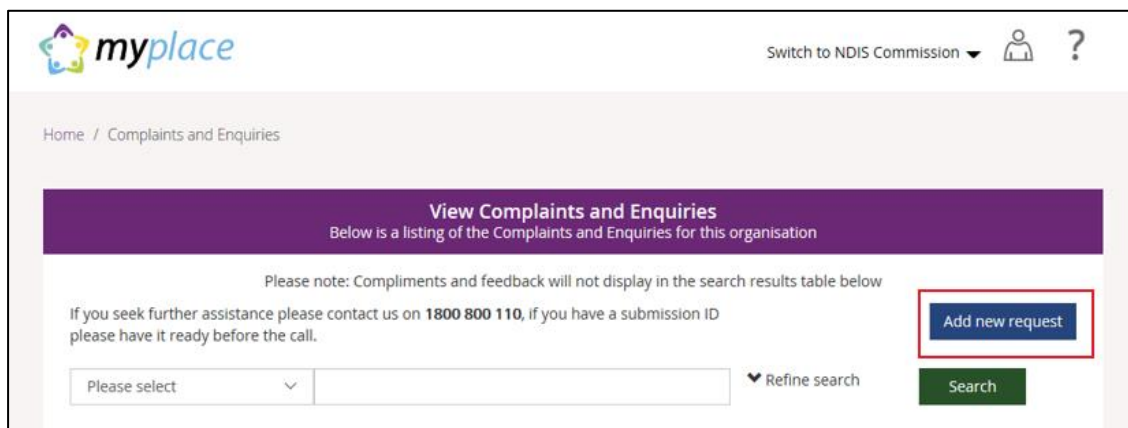

To access these functions:

1. Go to the **myplace** home page and select the **View Complaints and Enquiries** tile.

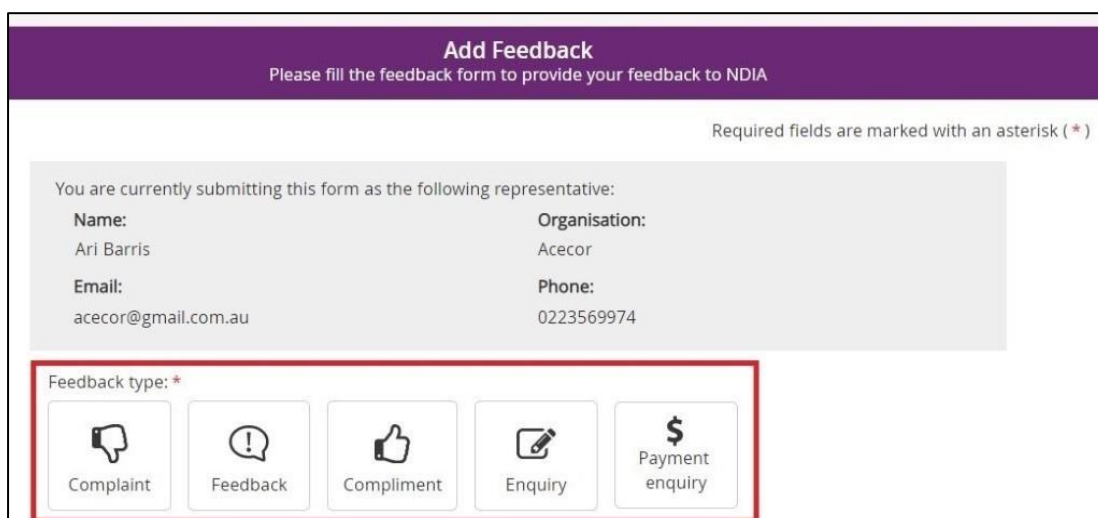

Note: You can also access the options you need by selecting the **Feedback** link in the page footer.

2. On the **View Complaints and Enquiries** page, select **Add new request**.

3. The **Add Feedback** page will appear with your name, organisation name, registered business email address and phone details displayed.

On the **Add Feedback** page, use the **Feedback type** options to select the type of request you will be making.

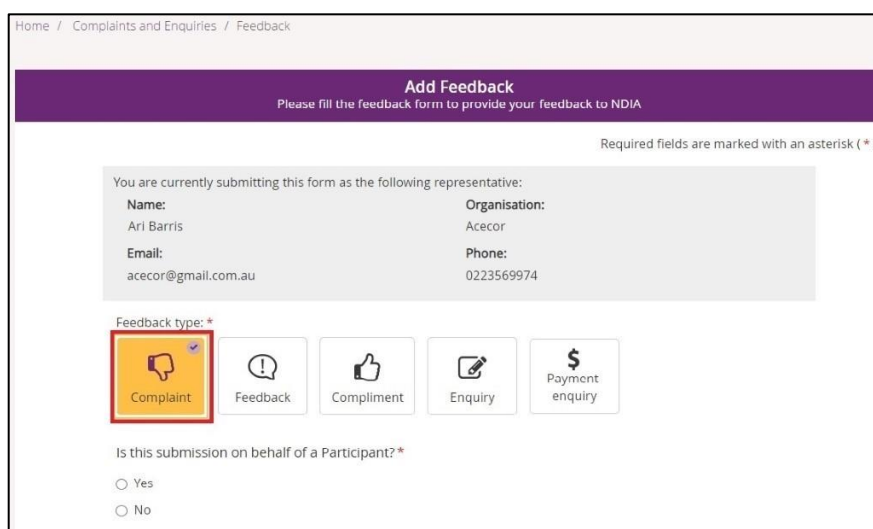

You can choose to:

- [Submit a complaint](#)
- [Send feedback or a compliment](#)
- [Submit an enquiry](#)
- [Submit a payment enquiry](#)

Submit a complaint

2. Select **Complaint**.

Maintaining your information

These functions enable you to:

- View your **Profile** (your and your organisation's contact information and roles within the provider portal).
- View your **Registration details** (the services you are approved to provide under the NDIS). You need to register and maintain your registration details and registration groups with the NDIS Quality and Safeguards Commission.
- View your **Outlets** (the times and places from which you deliver services). To add or edit outlet information for outlet you will need to contact the NDIS Quality and Safeguards Commission.
- Manage the organisations which **Link to my Organisation** (the organisations you work for).

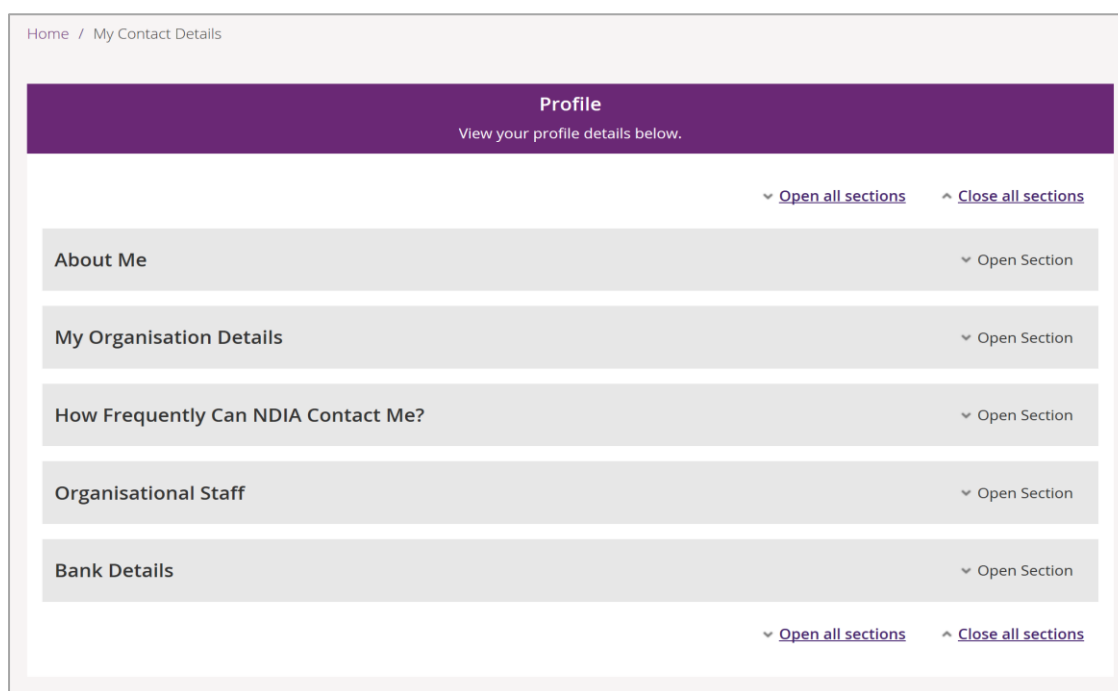

Profile

This allows you to view and update your personal details, and view (and update if you are the account manager for your organisation) the Provider Finder Display in your organisation details, organisation staff and bank details.

1. Select the **Profile** tile on the **myplace** home page, or the **Person** icon from other pages.

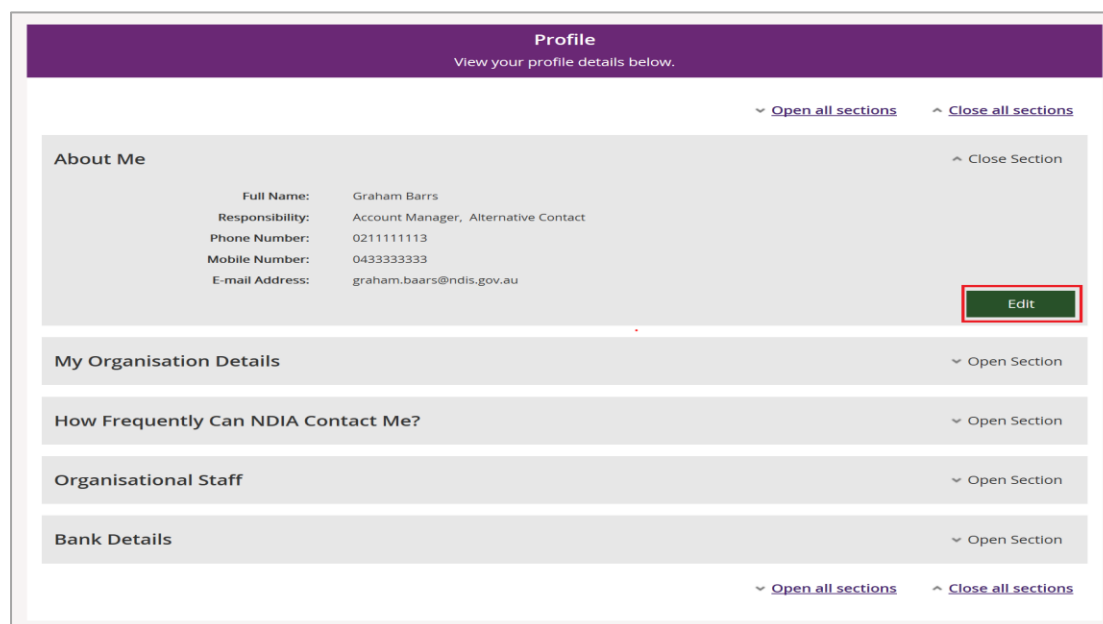

2. The **Profile** page displays. Use the **Open** and **Close** section buttons to see all the information.

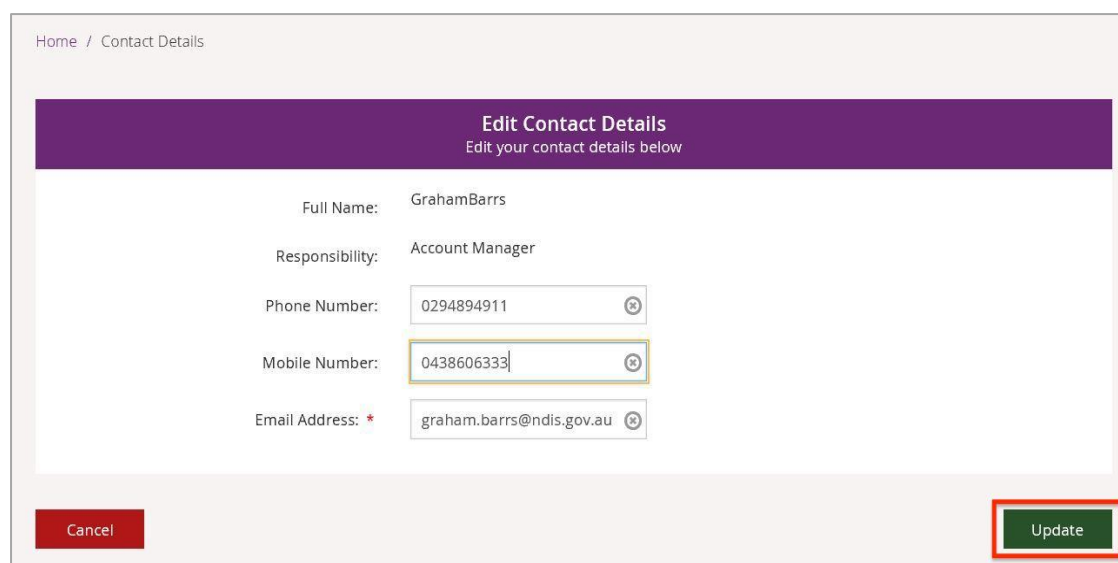

About me

1. Select **Edit** in the **About Me** group to update your telephone numbers and email address.

2. Enter your changed details and select **Update**.

Note: If you do not wish to update your details, select **Cancel**. You can only change phone numbers and the email address.

My organisation details

1. View name and contact information for your organisation in the **My Organisation Details** section.
2. Select **Edit** to update whether the provider should display in the Provider Finder, and if so whether the address should also be displayed.

Note: To edit your organisation's details including your email address, to make sure you receive important information, you will need to contact the NDIS Quality and Safeguards Commission.

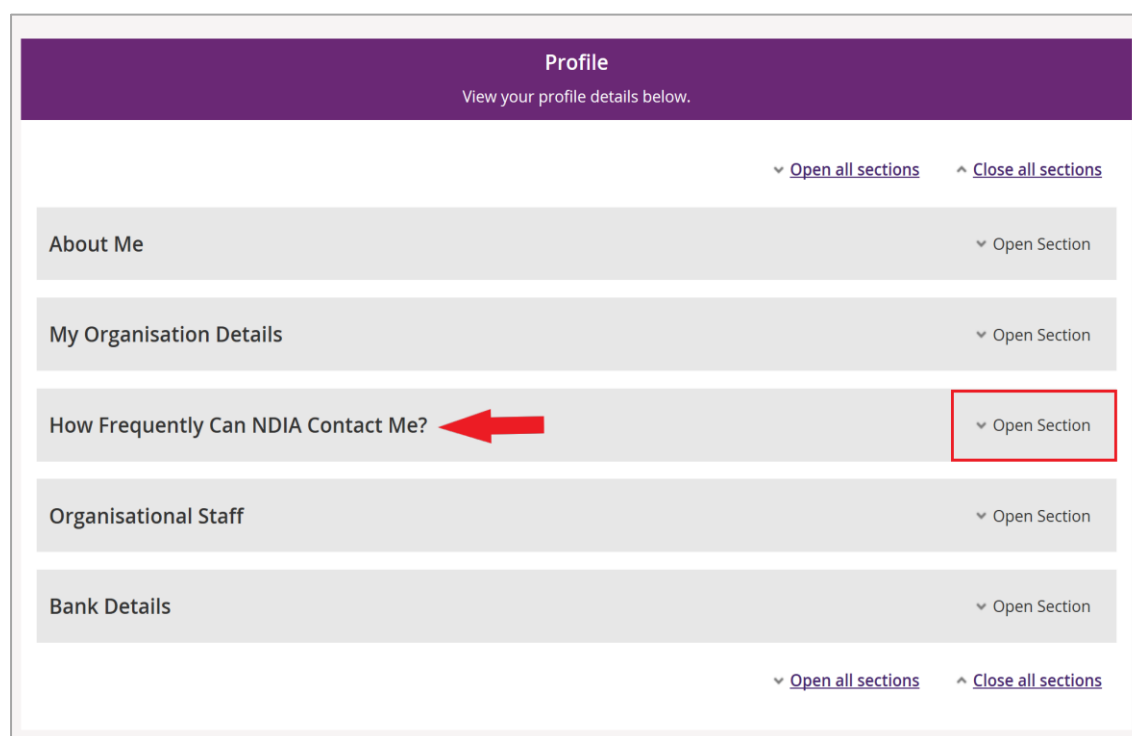

How Frequently Can NDIA Contact Me?

Nominate how often your organisation wants to be notified about changes to service bookings and quotations, and new Requests for Service sent to your organization for review. For new Requests for Service you will be notified immediately. For service bookings and quotations you can choose to be notified:

- 12. Immediately
- 13. Daily
- 14. Weekly
- 15. Never

Note: You will only be notified about service bookings and quotations that your organisation needs to action.

1. Select **Open Section** to view or edit your information.

Note: If you choose daily or weekly, all changes for the previous day or week (Monday to Sunday) will be grouped together and sent in one message to your inbox.

4. Choose from Yes and No to update your Request for Service email preferences.
5. Select **Cancel** if you wish to cancel the selection. A popup box will appear asking for confirmation to return to the Profile screen without updating any contact details.
6. Select **Yes** to return to the **Profile** screen; select **No** to return to the list of correspondence options and make a selection.

Organisational staff

Your role (also shown as Responsibility or Contact type depending on the screen) will be allocated to you by your organisation's account manager.

If you are linked to multiple organisations, your role may vary between organisations.

Depending on your role, you can view your profile, edit your details, edit contacts and update bank account details. The roles available are:

Contact type / Responsibility role	Account manager	Primary contact	Alternative contact
Number allowed (per organisation)	Multiple	One	Unlimited
Create service bookings	Yes	Yes	Yes
Submit payment requests	Yes	Yes	Yes
Cancel paid and pending payment requests	Yes	Yes	No
Add/ remove contacts	Yes	No	No
Update bank account	Yes	No	No

If you have the account manager role, you can edit the staff roles for your organisation through the **Organisational Staff** section.

Important note: The first person who links to an organisation will be automatically assigned the roles primary contact and account manager. This applies when the registration is processed through the NDIS Quality and Safeguards Commission.

1. Select **End Role** in the Action column to remove that access type from a contact.
2. To add a new role to an existing contact, select **Add Role**.

3. Once you have saved your bank account details, use the **Edit** button if you need to change the account details.

Note: Whenever the bank account details are added or edited, the primary contact for your organisation will receive an SMS stating:

We have updated your bank account details as requested. Contact NDIA on 1800 800 110 if you need to.

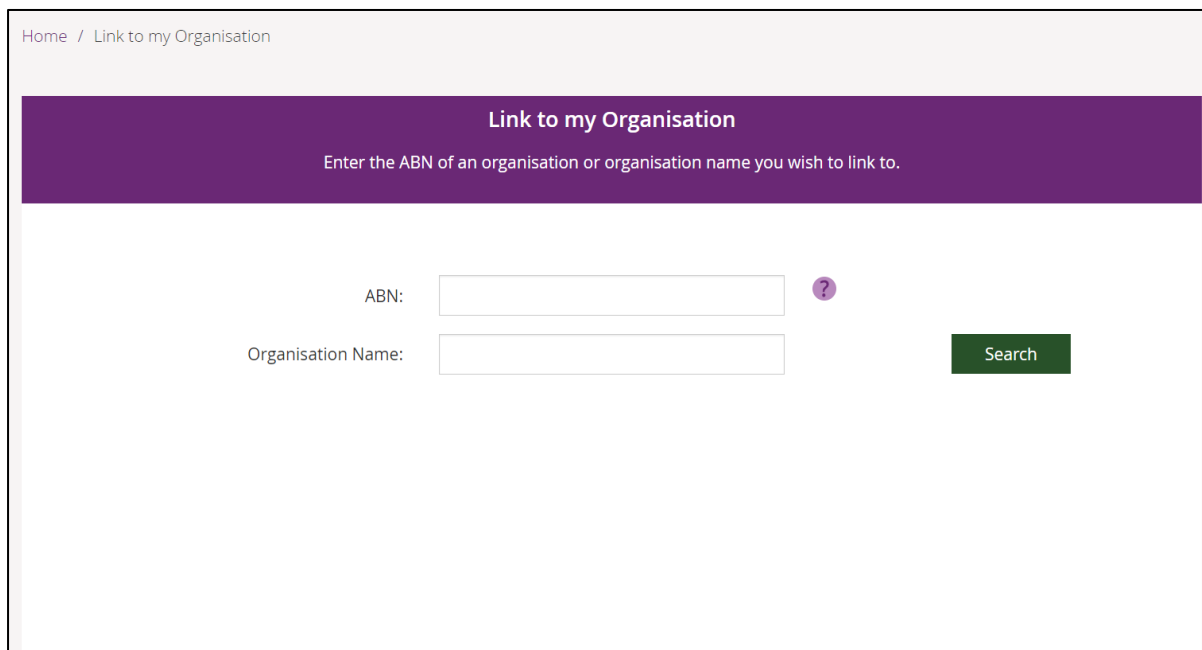

Link to my organisation

This allows you to link your **PRODA** account to another provider. It works the same way as when you linked the current provider you are using in **myplace**.

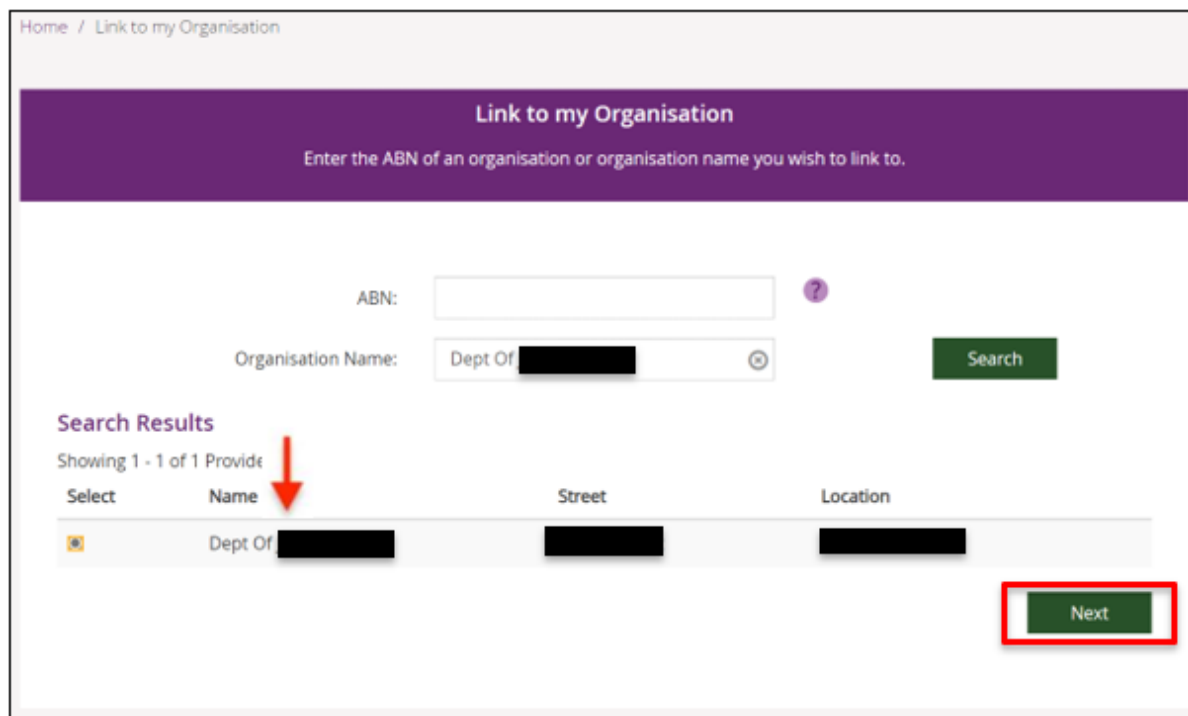

1. Select the **Link to my Organisation** tile on the **myplace** home page.

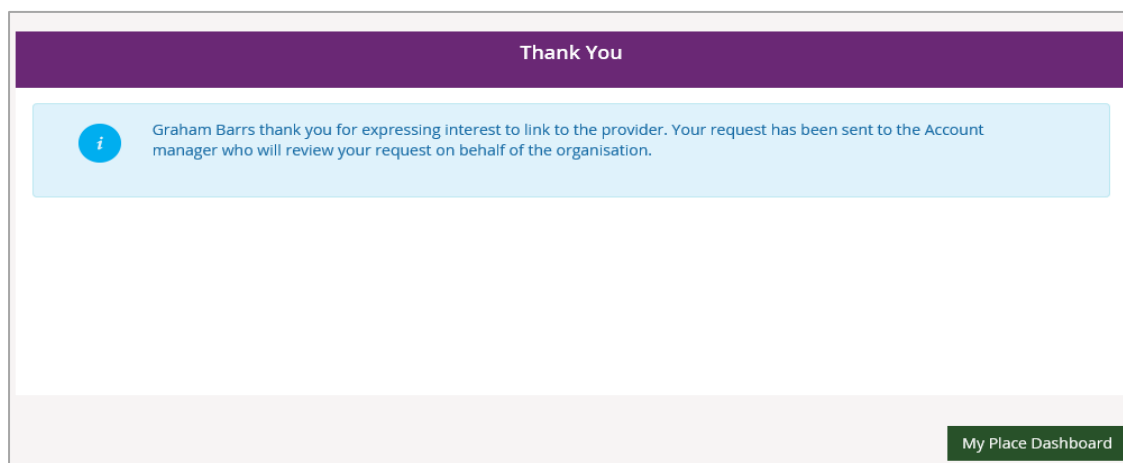

2. Enter the ABN (11 digits, no spaces) or the Organisation Name of the provider to which you wish to link and select **Search**.

A screenshot of the "Link to my Organisation" web form. At the top, a breadcrumb trail reads "Home / Link to my Organisation". Below this is a dark blue header bar with the title "Link to my Organisation" and the instruction "Enter the ABN of an organisation or organisation name you wish to link to." The main form area has a light blue background. It contains two input fields: "ABN:" and "Organisation Name:". To the right of the "ABN:" field is a small blue circle with a white question mark. To the right of the "Organisation Name:" field is a green "Search" button.

3. Select the provider from the list and select **Next**.

4. A thank you message displays. Your request is sent through to the provider.

Important note: If you are linking to a provider that does not have a primary contact set up, a new screen will pop up that asks you to provide one.

Managing correspondence and messages

Inbox

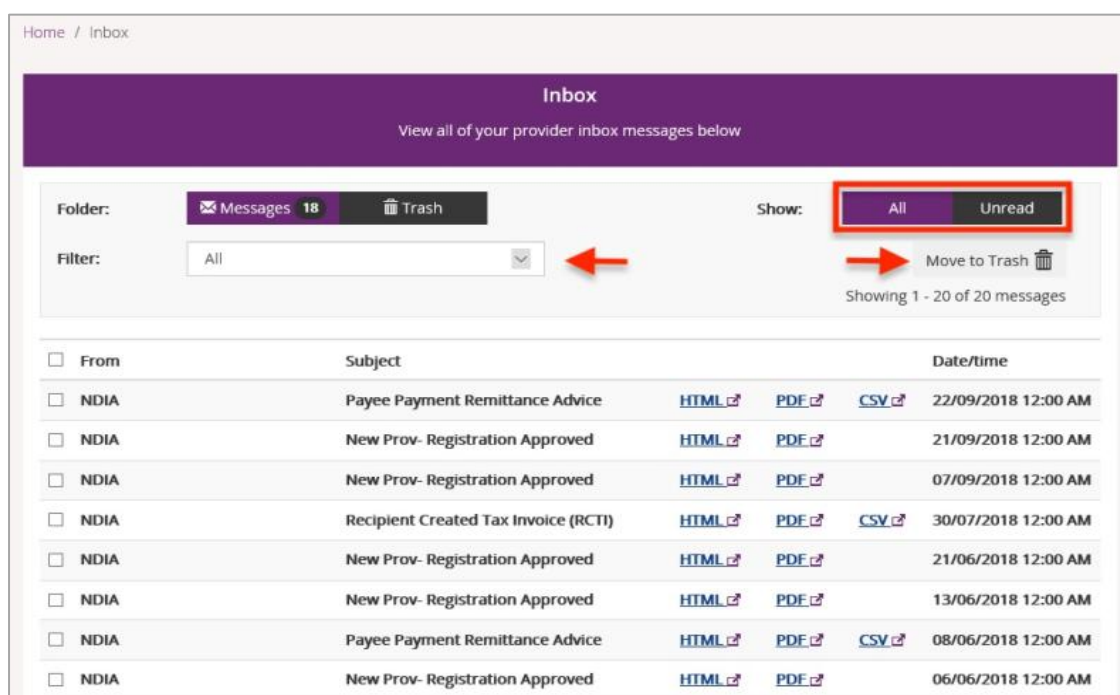

All messages and letters sent to your organisation will appear in the **Inbox**. When you open the **Inbox**, you will see all messages, not just those relating to you or your participants. The number next to messages is the number of new (unread) messages received.

1. Select the **Inbox** tile on the **myplace** home page.

2. Your **Inbox** displays messages and letters received from NDIA.

Note: See [How Frequently Can NDIA Contact Me?](#) to choose how often you wish to be notified.

3. Select **Unread** to show only messages that have not been opened.
4. You can limit the list of messages to a particular type. Select the message type from the **Filter** drop-down.

- When you have processed a message, you can delete it by moving it to **Trash**. Select the check box to the left of the messages you wish to delete, select the **Move to Trash** link to delete all the selected messages.
- Select the blue file type link to open the message. The message will open in a separate window to enable you to continue processing in the portal while the message is open.

Messages

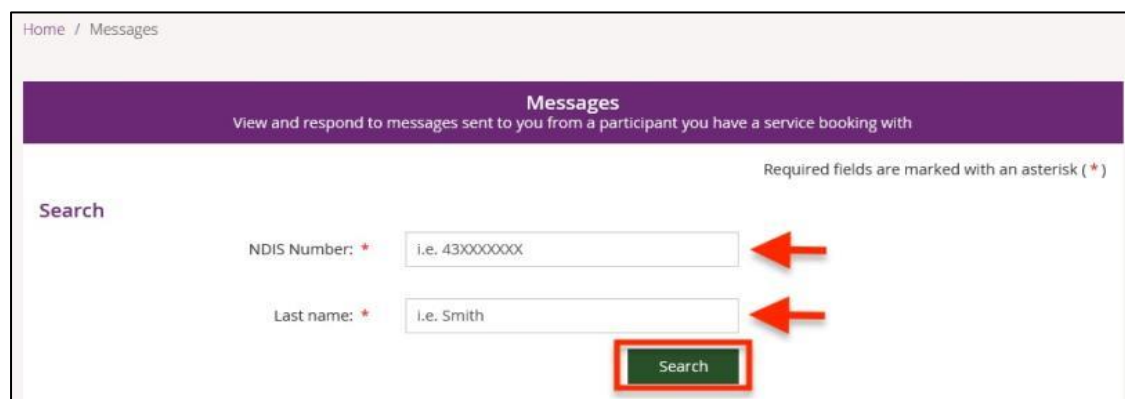

You can have online conversations with your participants through the instant messaging function.

Starting a new instant message

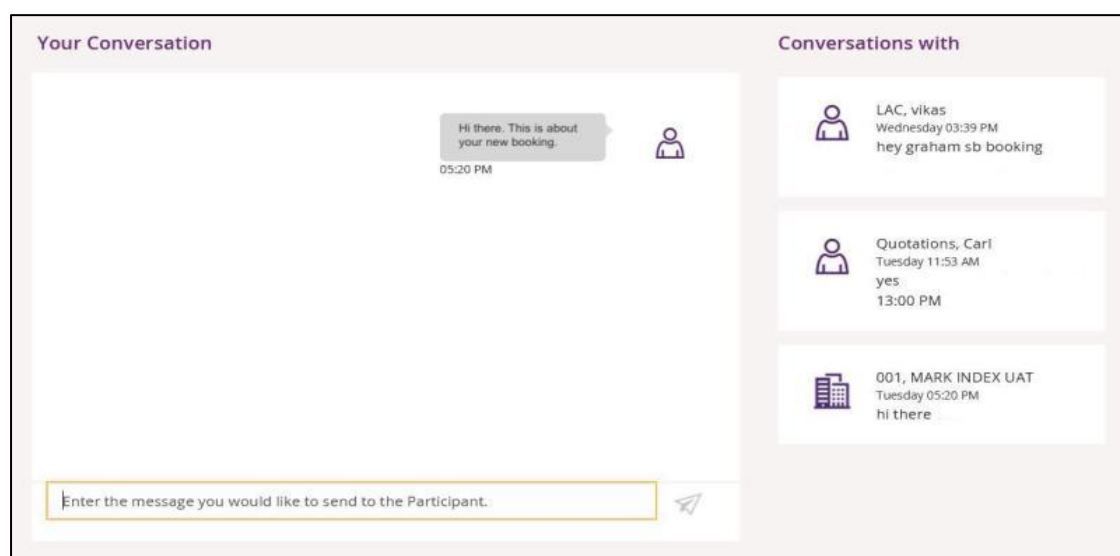

- Select the **Messages** tile on the **myplace** home page.

- Enter the participant's **NDIS Number** and **Last Name** then select **Search**.

The **Your Conversation** window displays.

3. Type your message in the message field which (highlighted by a yellow rectangular box).
4. Select the  paper aeroplane icon on the right-hand side of the message field to send.

Continuing a previous conversation

You can carry on past conversations by searching for the participant or finding the participant under the **Conversations with** panel.

To search for the participant, refer to starting a new instant message in Step 2 above.

If the participant is shown in the **Conversations with** panel on the right-hand side of the window, simply click on the participant and your conversation will be displayed.

Administering your services

These functions enable you to:

1. Find your active Participants
2. View a **Participant's plan** (if you provide services to that participant and have their consent).
3. View and manage your **Service Bookings** (these record which supports you will provide to participants, the value of the supports, and the period within which they will be provided).
4. View and manage your **Payment Requests** (how you submit claims for payment for supports delivered).
5. View and respond to **Quotations** (requests for quotes for supports from the Agency or a participant).
6. View **Referrals** to your organisation (created by the Agency when a participant would like you to contact them).
7. View and action Support Coordination **Requests for Service**.
8. Use the **Provider Finder** (to find additional supports for a participant).
9. **Upload Evidence** related to the participant or their supports.
10. **Download** and view reports about all the service bookings you have with active participants and information about participants you have service bookings with, and also your quotation requests.

Finding Participants

All of your active participants will appear in **My Participants**. When you open **My Participants**, you can search for a participant and quickly view their plan, view or create service bookings and payment requests.

The NDIA requires consent from participants to share their plans with providers. Only participants and their nominees can provide the NDIA with the consent to share their plans with providers. Participants have the choice to either share, or not share their plans with you and can withdraw consent at any time.

1. Select the **My Participants** tile on the **myplace** home page.

2. A list of active participants sorted by first name is displayed. From here you can select the links to view their plan, view or create service bookings and payment requests.

Consent to view plan notification

1. You will receive via the **Inbox**, notification of consent to view a participant's plan, as well as any changes to consent. This will be a message of type 'Changes to plans shared with you'.
2. See **Inbox** Step 4 for details of how to filter messages by type.

Service bookings

Prior to providing services to a participant, you need to ensure there is a agreement (not held in the NDIS system) between you and the participant.

Service bookings must be completed before you provide supports to a participant and be paid for a service. It must be in line with the NDIS Pricing Arrangements and Price Limits and Support Catalogue

A service booking details support(s) that you will provide to a participant under the service agreement. Both you and the participant will need to agree to the service. A service booking must be in place before you can be paid for a service.

You can create and manage service bookings with your participants using **myplace**. Service bookings can also be created by participants, their nominee, or their plan manager. A participant may also be supported by an Agency representative to complete their service bookings.

Providers can:

- 1. [Create a new service booking](#) with a participant.
2. [View and edit existing service bookings](#)
3. [Accept or reject a new service booking](#) including providing a reason for rejection
4. [Accept or reject a change to an existing service booking](#), including providing a reason for rejection
5. [Edit support details on a service booking](#) including duration, price and quantity
6. [End a service booking](#) including immediate cancellation
7. [Delete a service booking](#)
8. View Quote ID and select hyperlink to navigate to Quotation screen

Important points to note:

- The dates of the service booking must be within the participant's current plan.
- If the dates of your service booking do not cover the whole plan duration, you can create additional service bookings, or extend it to cover the plan. The dates of the

service bookings (with the same support category) cannot overlap. Plan Managers should create their service bookings for the duration of the plan.

- The 365-day plan auto-extension feature identifies plans near expiration and auto extends those plans up to 365 days, until the new plan review is approved to ensure that there is not a gap between the plans. The 365-day plan auto-extension feature will allow you to discuss the range of services participants might need during the extension period.
- From 10 February 2020, participant plans that include funding for Specialist Disability Accommodation (SDA) will have the service booking extended and pro-rata funding is allocated automatically where the extension has been applied. Please continue to regularly submit payments requests in accordance with the agreed SDA service booking.
- For participant plans approved after 1 July 2021, SIL is no longer a quotable support. If a participant's plan receives an automatic extension, SIL providers will need to update the allocation of the SIL service bookings themselves.
- From 9 May 2020, participant plans that include funding for Assistive Technology, in some circumstances, will have a service booking extended and pro-rata funding allocated automatically where the extension has been applied.
- The service booking must have at least one support category (displayed as **Support Budget**) included.
- You can have multiple support categories within one service booking.
- You can have additional service bookings for the participant for other support categories.
- The **Item Number** field (line item) is not mandatory unless the item is stated in the plan.
- From the 27 March 2021, you can view the Quote ID of an approved quote in the 'Find' page, under Service bookings and can select the hyperlink to navigate you to the Quotation screen.
- You can view and search the quote ID attached to all historic service bookings on the 'Find' page, under Service bookings and Quotation page.
- For service booking without a quote, the quote ID column will show as 'Not available.'

Create service bookings

Providers can create two types of service bookings depending on the participant's plan. Participant plans will have funding allocated at either a category level or an item level. Some will have funding at both levels. In this case, providers might need to create two separate service bookings.

IMPORTANT: The Agency recommends that service bookings be created at the category level, if possible. This allows providers and participants to negotiate or access supports on a more flexible basis, especially for on-the-spot assessments or services. This is preferable to having to create another service booking for that item at a later date or having funds locked into a support line item that does not relate to the appropriate support.

Item level funding

If a participant has a stated item in their plan, and the provider tries to create a service booking in the support category but does not choose the stated support item, the portal will reject the service booking.

The stated support item must be selected to create a service booking.

Category level funding

If a participant has funding allocated at a category level, the provider can create a service booking at a category level.

This type of service booking allows providers to use participant funds more efficiently and delivers greater flexibility for participants to utilise their funding across different support items within a support category.

4. Select the **Service Booking Type**. The types available are:
 - **Standard booking** is available when funds are Agency managed. In most instances the only option will be standard booking.
 - **Plan managed booking** is only available when a provider is managing participant funding, as specified in the plan. The plan manager provider must be registered to do this. To create a plan managed service booking, a standard service booking between the plan manager and participant must first exist. This standard service booking needs to include at least one item for financial intermediary supports.
 - **Note:** Plan managed Service Booking Process
 - Plan management financial intermediary and monthly fees are stated items. These should be specified in the plan and the costs must be in line with the pricing guide.

- The plan manager must create a standard line-item service booking for the financial intermediary set up and monthly fees. To create standard line item refer to the steps in service booking at the Line-Item level.
 - Once standard line-item service booking is created, the plan manager will be able to create plan managed service booking for plan managed funded supports within the plan. To create plan managed service booking, refer to steps 3 to 12.
 -
 - **In-Kind service booking** is only managed by NDIA. In-kind are prepaid services funded by state, territory or Commonwealth governments. When these supports stop, you can create service bookings to claim the supports through NDIS. If you have any queries, please contact INKIND@ndis.gov.au
 -
5. Enter the start and end dates of the service booking. These dates cannot sit outside the date range of the plan.

- **NOTE:** For **Quotable items** NDIA will approve your quote and generally the related service booking is created automatically. In this case you are unable to create a service booking for quotable items (see Note for exceptions). Please refer to the **Quotation** section of this guide for further details.

- **NOTE:** From 28th February 2022, Assistive Technology quotes valued under \$15,000.00 no longer require a quote. You can create a service booking against an accepted line item for the price agreed with the participant (up to the allowable budget) in cases where a quotable Assistive Technology item has been automatically accepted but a service booking was not automatically created. These cases are usually identified by:
 - the funding for the item is now in the 'Available' funds, and
 - a comment has been added to the participant's plan to reflect this change (in some cases the participant will have an email to indicate this).

View service bookings

Service bookings can also be created by participants, their nominee, an Agency representative or their plan manager. All your service bookings can be accessed through **View Service Bookings**.

1. Select **View Service Bookings** on the **Service Booking** page. A list of your service bookings will be displayed. The service bookings are sorted by service booking number, with the most recent booking first.

2. Select a **Service Booking Number** to view details of that booking.

Note: Use the **Next** and **Previous** buttons at the bottom of the screen to navigate forwards and backwards through the lists that have more than 10 entries.

Note: You can view the Quote ID of an approved quote and select the hyperlink to navigate you to Quotation screen.

Tip: You may need whenever you make a new selection to re-select **Refine Search** (besides the **Search** button) to expand and view the sorting options available on screen.

3. You can search the list of service bookings two ways:

- By entering a participant's name or NDIS number, or service booking number; then click the **Search** button.
 - By selecting from the **Initiated By** or **Status** dropdowns; then click the **Search** button.
- Initiated By** allows you to view and sort the service bookings by the party that initiated the booking — by All, Participant, Provider or Staff.
 - Status** allows you to view and sort the service bookings by:

- Active / Inactive (these are listed in the results separately)
- Awaiting Participant Review
- Awaiting Review
- Change Awaiting Participant Review
- Review Change
- Rejected

Note: These are explained below.

Service Booking Status	Definition
Active	The service booking has passed validation and been accepted by the participant and provider. It is currently within the dates where service delivery may occur and can have payment requests made against it.
Inactive	The service booking passed validation and was accepted by both participant and provider, but it has now expired (past the date of service delivery). It can have payment requests made against it if the date of service delivery falls within the original service booking dates.
Awaiting participant review	The participant needs to review the new service booking. Please note: If the participant does not have access to their myplace portal to review the service booking, you should contact the Agency.
Awaiting review	The provider needs to review the service booking and either accept or reject it (refer to Accept or reject a new service booking for further details).

Service Booking Status	Definition
Review change	The service booking has been modified by the participant or Agency. You need to accept the change to make the service booking active or reject the change to keep the service booking as it was (refer to Accept or reject a new service booking for further details).
Rejected	Either the participant or provider did not accept updates to the service booking. No payment requests can be made against it.
Change awaiting participant review	The participant needs to review the updated service booking. Please note: if the participant does not have access to their myplace portal to review the service booking, please contact the Agency.

4. You can then sort the list of **Search Results** by the column titles; just make your selection from the options in the **Sort By** drop-down to view all service bookings by:
- Service Booking Number
 - Service Booking Start Date
 - Service Booking End Date
 - Submitted Date
 - Service Booking Status
 - Initiated By.

Note: End dates of service bookings that are about to expire, and that share the same end date as the plan they belong to, will be extended using the 365-day plan auto-extension feature. You will see an alert in the service booking screen to notify you when a service booking has received an extension: “The end date of this service booking has been changed to align with the participant’s plan dates”. You may need to change your service booking in the old plan.

When viewing service bookings within 90 days of an expired plan you will see the following alert:

End a service booking

You might need to end a service booking if you are unable to continue to deliver the service, or the participant asks you to stop delivering the service.

IMPORTANT ACTIONS REGARDING END DATES

When you end the service booking you need to review:

1. All payment requests are up to date.
2. Accrued amounts are enough to cover any outstanding payment requests which you are yet to request payment for (which are yet to be submitted).

1. Follow the steps outlined under **View Service Bookings** above.

Update End date

2. Select **Update End Date**

The Update End date screen displays

3. Complete the following fields:

- At **Service Booking End Date**, enter the end date for the service booking and the reason for the change.

Note: If you want to change a service booking end date to today's date, the participant is required to accept the change. You must check the 'declaration' at the bottom of the screen

to indicate that you have discussed the change with the participant and that you are authorised by them to confirm the new end date.

At **Reason for Change**, select from the drop-down list. Some reasons are there to support participant choice, some provider choice, and some both.

- Enter the value of services delivered where a payment request has not yet been submitted at **Accrual for pending payment requests**. This is to ensure sufficient funds are retained against the service booking to pay for all services delivered.
- Tick the box at the **Declaration**. This is a compulsory field and the onus is on you, as the provider, to have discussed and gained consent from the participant to end the service booking.

4. Select **Submit**.

Payment request

Payment requests were previously known as claims. In this tile you can create and submit payment requests to NDIS. You can also go here to view a history of submitted payment requests.

IMPORTANT NOTES ABOUT PAYMENT REQUEST

- You will need to have provided your bank account details to NDIS before a payment request can be created. Usually, you would have recorded your bank account details in the myplace portal after registering with NDIS (please see Bank Account Details section).
- You are encouraged to request payment for services provided to participants within 90 days of service. Payment requests made after 90 days may cause a delay in payment.
- Service bookings are created to hold/quarantine the funds for which providers can claim through payment requests.
- Before submitting a payment request, check your service booking details to ensure: there is sufficient funding, service booking dates are within the plan dates, support category or line item are correct.
- Once checked, payment requests can be created and must align with that service booking.
- The information entered for the payment request must align with the service booking (i.e. you cannot enter a date that is outside the date range of the service booking)

Create a payment request

1. Select the **Payment Request** tile on the **myplace** home page.

2. Select **Create Payment Request**.

The form has a purple header with the title 'Search Participant' and the instruction 'Please search by First Name and Last Name or NDIS Number.' Below the header, there are two search fields: 'Search by: *' with a dropdown menu set to 'NDIS Number', and 'NDIS Number: *' with a text input containing '430254456'. A green 'Search' button is located below these fields. To the right of the search fields, a note states 'Required fields are marked with an asterisk (*)'. Below the search fields, there is a 'Search Results' section. It contains a table with two columns: 'Participant Name' and 'NDIS Number'. The first row of the table shows 'Mr. Henry Donald' under 'Participant Name' and '430254456' under 'NDIS Number'. The name 'Mr. Henry Donald' is highlighted with a red rectangular box. At the bottom of the form, there is a red 'Cancel' button.

Arrangements and Price Limits.

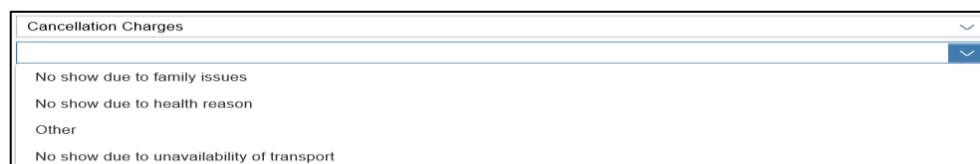

The screenshot shows the 'New Payment Request' form in the NDIS myplace provider portal. A modal window titled 'Search for Support Item' is open, allowing the user to search for a support item. The modal contains a search input field with the placeholder text 'Enter Support Item'. Below the input field, it shows 'Search Results' for the query '1', indicating '1' search results found. The results are displayed in a table with columns: Support Budget, Support Item Number, Support Item Name, and Service Agreement Number. The results show 'CB Daily Activity' with Support Item Number '15 045 0128 1 3', Support Item Name 'Community Engagement Assistance', and Service Agreement Number '55012892'. A 'Close' button is at the bottom of the modal. The background form shows fields for Participant Details, Payment Amount, Item Quantity, Unit of Measure, Payment Amount (\$), GST, ABN of Support Provider, and ABN Not Available. There are 'Add' and 'Delete' buttons at the bottom right of the form, and 'Back', 'Cancel', and 'Next' buttons at the bottom of the modal.

11. Select the **Claim Type**. Refer to the NDIS Pricing Arrangements and Price Limits for further information on each claim type.

- The 'Assistance in Supported Independent Living - Weekly' claim type should be used when a SIL provider will claim weekly, under the conditions specified in the NDIS Pricing Arrangements and Price Limits.
- The 'Irregular SIL Supports' claim type should be used when a SIL support is provided in unexpected or unplanned circumstances.
- The 'Telehealth' claim field should be used when a support is provided as needed and with agreement from the participant.
- The 'Assistance in Supported Independent Living –Unplanned Exits' claim type should be used when there is an irretrievable breakdown of supports/relationship

which requires immediate exit. Refer to SIL Provider Guidance for further details around when this claim type can be used.

12. If the **Claim Type** is cancellation, select a cancellation reason.

The screenshot shows a dropdown menu titled 'Cancellation Charges'. The menu is open, displaying four options: 'No show due to family issues', 'No show due to health reason', 'Other', and 'No show due to unavailability of transport'. The 'Other' option is currently selected, indicated by a blue highlight.

13. Enter your **Item Quantity**. This may be either in line with how many hours or the number of services/support you have provided, consistent with the way you set up the service booking (i.e. if you want to request payment for 1 hour and 45 min you will need to enter 1.75 or if you are requesting payment for one product or service, you will enter 1).

Note SIL Providers: If claiming weekly, input the quantity as 1 to reflect 1 week.

16. Complete the **Payment Amount** field. This is the total amount being requested; it is not the unit price amount.

Note SIL Providers: If claiming weekly, input the weekly amount.

14. In the **ABN of Support Provider** field, enter the Australian Business Number (ABN) of the provider of the support or service.

The screenshot shows a form field for 'ABN of Support* Provider:'. To the right of the text input field is a checkbox labeled 'ABN Not Available:'. The checkbox is currently unchecked.

- To be valid, an ABN must have 11 digits. ABNs are required for both registered and unregistered provider payment requests.
- For a plan managed service booking claim you will need to complete the **ABN of Support Provider** field manually.
- If the provider has a valid reason for not providing an ABN, plan managers will have the option to:

Tick the **'ABN Not Available'** checkbox and select either the **'ATO Excluded Supply'** or **'Participant Reimbursement'** in the **'ABN Exemption Reason'** dropdown box for single payments

Note: If a supplier is exempt from quoting an ABN under ATO rules (i.e. 'ATO excluded supply'), plan managers must ensure that:

- the supplier provides a completed ATO Statement by a supplier form stating why they are exempt from providing an ABN
- a valid tax invoice is included with all relevant information about the goods or services provided.

Create a payment request for an Irregular SIL Support

Irregular supports are considered separately from the regular SIL plan value and should be used when a SIL support is provided in unexpected or unplanned circumstances and additional funding to cover the costs is needed.

Participants have separate funding in the SIL plan for irregular supports that can be claimed for each time funding is required.

1. Follow the steps outline under [View Service Bookings](#), pages 65 to 70.

Cancel payment request

If you make a mistake with a payment request, you can cancel the request if it has a status of **Pending payment** or **Paid**. After the request is cancelled, you can enter a correct payment request if needed.

Note: You must be an account manager or primary contact to cancel payments.

If you cancel a payment request with a status of **Pending payment** (i.e. we have not yet paid you that amount) the payment request will not be processed.

If you cancel a payment request with a status of **Paid** (i.e. we have paid you that amount and you consider it to have been paid incorrectly), we may:

- send you an invoice requesting repayment of the cancelled amount, or

- offset your future payment requests against the cancelled amount.
- You can cancel any payment request in your payment history with a status of **Paid**.
-

Note: If we apply an offset, you will not receive any further payments until you have submitted payment requests which in total, equal the cancelled amount.

Note: If you wish to return a payment that you have received after cancelling the payment request, please contact us on 1800 800 110.

Cancel Payment

2. Select **Cancel Payment**.

A message displays asking, 'Are you sure you would like to cancel the selected payment?'

3. Select **Yes**.

4. The following message displays. If you search again for the payment request you will see it now has a status of **Cancelled**.

Recipient Created Tax Invoices (RCTI)

These are generated for each payment request or bulk upload. To make reconciliation simpler, all invoices for the same day are batched together.

Additionally, there is an ability to download RCTIs in PDF and Excel format.

Bulk payment request upload

You can upload payment requests in bulk. The payment requests can be uploaded in either .csv or .xml file formats. Use the current version of the bulk upload template available on the **myplace** portal.

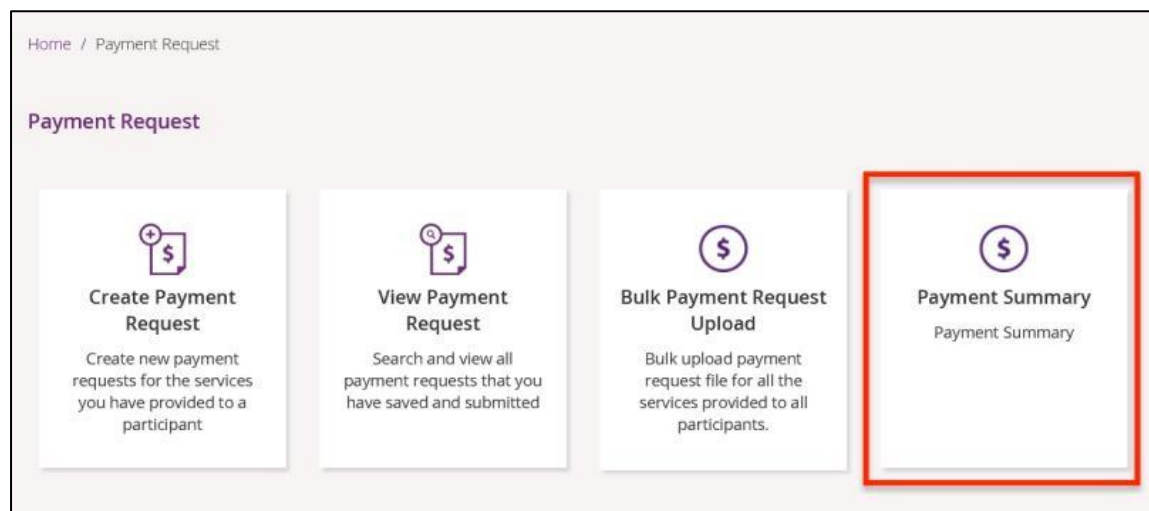

Further details on how to do this can be found in the **Bulk payment request self-help guide** on the [NDIS website](https://www.ndis.gov.au).

Payment summary

You can view a summary of the payment requests and advance payments through **Payment Summary**. The payment requests summary can be up to a 30-day period and includes

cleared (received) payments, pending payments, rejected payments and bulk upload file payments.

1. Select **Payment Summary** on the **Payment Request** page.

2. Enter the **From Date** and **To Date** of the summary (up to a 30-day period).

Note: This is the date that the payment was requested.

Note: You can view your Pending Payment Request, Advance Summary and Advance Recovery Instalment Plan by selecting **Open Section**.

Advance summary and recovery instalment plan

If you have received an advance payment and a recovery instalment plan is in place, the **Advance Recovery** and **Advance Recovery Instalment Plan** sections let you view how much you currently owe and the value of the instalments.

1. Go to **Advance Summary** and select **Open Section**.

The section displays a summary of the total amount paid to you, the total amount recovered and the total amount remaining to be paid by you.

The screenshot shows the 'myplace' provider portal interface. At the top, there's a navigation bar with the 'myplace' logo, a 'Switch to NDIS Commission' dropdown, and user icons. Below the navigation bar, a breadcrumb trail reads 'Home / Payment Request / Payment Summary'. The main content area is titled 'Payment Summary' with the subtitle 'Below is your account summary'. It contains three expandable sections: 'Pending Payment Requests' (with a 'Open Section' link), 'Advance Summary' (highlighted with a red box and a 'Close Section' link), and 'Advance Recovery Instalment Plan' (with an 'Open Section' link). The 'Advance Summary' section displays the following data:

Advance Paid:	\$73,000.00
Advance Recovered:	\$0.00
Advance Remaining:	\$73,000.00

Below the 'Advance Summary' section is the 'Advance Recovery Instalment Plan' section. At the bottom of the page, there is a 'Payment Summary Search' section with a text input field and a 'Find Summary' button. A note at the bottom right states 'Required fields are marked with an asterisk (*)'.

2. Go to **Advance Recovery Instalment Plan** and select **Open Section**.

The section displays a detailed table of each instalment in the recovery plan by recovery date, recovery instalment amount, recovered amount and remaining amount.

Quotations

IMPORTANT NOTE FOR APPROVED QUOTES:

When NDIS approves your quote, you don't need to create the related service booking, it is created automatically for you.

You will receive a message in your **Inbox** informing you that the service booking has been created.

This section allows you to view and respond to quotation requests sent to your organisation by the NDIA. Quotations enable you to submit quotes to provide particular supports on a participant's plan.

Note: Many quotations are currently being managed outside the portal and entered into the system by the Agency to manage system limitations.

Note: You can view the Quote ID of an approved quote in the 'Find' screen for service bookings and select the hyperlink to navigate you to Quotation screen.

- **Note:** From 28th February 2022, Assistive Technology quotes valued under \$15,000.00 no longer require a quote. You can create a service booking against an accepted line item for the price agreed with the participant (up to the allowable budget) in cases where a quotable Assistive Technology item has been automatically accepted but a service booking was not automatically created. These cases are usually identified by:
 - a) the funding for the item is now in the 'Available' funds, and
 - b) a comment has been added to the participant's plan to reflect this change (in some cases the participant will have an email to indicate this).

View a quote

1. Select the **Quotations** tile on the **myplace** home page.

When a **Quotation Request** is received a banner notification will appear on the tile.

The **Quotations** page opens and your quotes will be displayed. The results will be organised under the following column headers:

- **Find a participant:** Enter either the participant name or their NDIS number.
 - **Sort by:** Select an option from the drop-down list to sort the list by the column headers.
 - **Quote ID:** The list of quotations requested by NDIA.
 - **Participant name (NDIS number):** The name and NDIS number of the participant that the quotation relates to.
 - **Date requested:** The date the quotation was requested by NDIA.
 - **Quote type:** Shows the type of quotation.
 - **Description:** Describes the item.
 - **Item:** Shows the item number.
 - **Status:** Shows the status of the quotation as one of the following:
 - Awaiting provider response
 - NDIA has received response
 - Quote has expired
 - Archived
 - Quote is accepted
 - Quote was unsuccessful
 - Quotation open
2. Select **Sort by** to sort the list of quotes by any of these columns. Only one column can be sorted at a time. Use the previous / next page controls at the bottom of the page to move through the list. To return to the previous page, select **Back**.

6. When you select **Download**, an **Acknowledgement** window will pop up. Check the box to show you agree and will adhere to the acknowledgement regarding use of the information in the report that you are about to download.

After you check the **Acknowledgement** box, the popup window will expand to display a number of file format download options.

You have a choice of 4 format types depending on your business needs. They are:

- Print friendly — a format that allows you to view the data as a printable, readable report. If you wish to, you can use this format to output a PDF version; you will need to select to 'print to PDF' if this function is supported by your computer
- CSV (Comma Separated Values) — typically used to open as a spreadsheet for sorting and filtering the data. Note that this download has two heading rows
- XML (eXtensible Mark-up Language) — a format for importing into business systems
- JSON (JavaScript Object Notation) — a simple format for importing into business applications

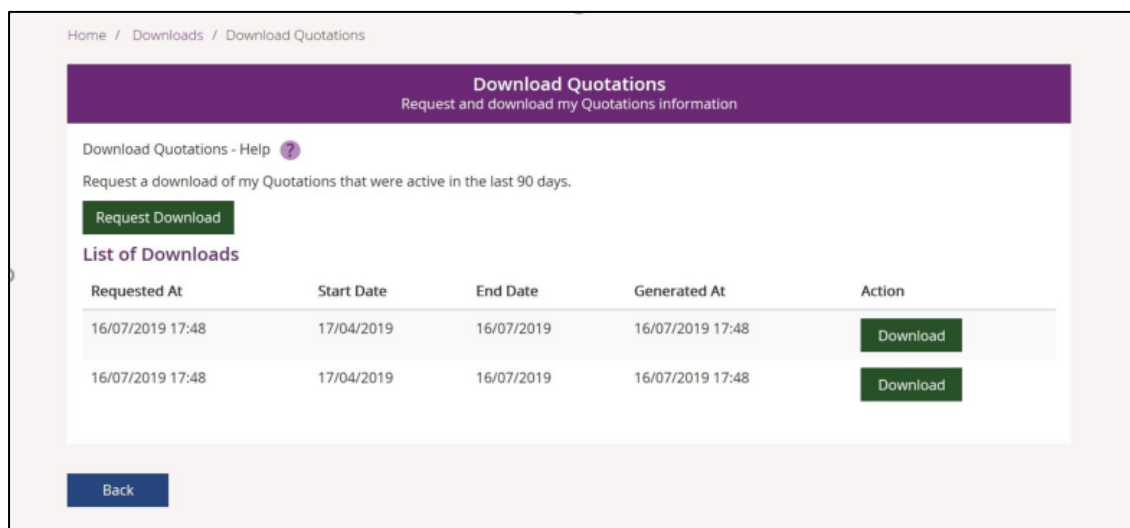

Download Quotations

This tile lets you download a list of all your quote requests.

1. Select **Download Quotations** to request and download your quote requests.

The **Download Quotations** screen displays a list of all quotes received by your organisation in the previous 90 days. If none were requested, no list will be displayed.

2. Select **Request Download**. Or select **Back** to go back to the **Downloads** page.
Note: You can also download one of the reports already listed.

Download My Participants

This tile lets you download a list of participants that you have active service bookings with. The download expires 24 hours after the report is requested to ensure the data is always up to date.

Important note: You will only be able to access information for participants who have given your organisation their consent to access their information. The information will in turn be restricted to:

- Participant name
- NDIS number
- Plan number
- Plan start date
- Plan end date
- Gender
- Interpreter required.

1. Select **Download My Participants** to request and download your participant's information.

The **Download My Participants** screen displays listing any reports requested by your organisation in the previous 24 hours. If none were requested, no list will be displayed.

The Advance Payment Reconciliation Report summarises the total amount of the advance payment, the amount still owing, and the amount recovered.

It also displays the payment requests you made over the period of the report, alongside the amount the Agency deducted as advance payment recovery instalments.

Note: When viewing payment details, payment requests will have “offset” status against them for reconciliation purposes.
