

## **NDIS providers are individuals or organisations that deliver a support or service to a participant of the NDIS.**

We're introducing a new computer system and some improvements to the way we deliver the NDIS for participants, providers, NDIA staff, local area coordinators and early childhood partners. [Learn more about what this means for providers.](#)

### **Becoming an NDIS provider**

[Supports and services funded by the NDIA, eligibility and requirements, and how to register.](#)

### **Working as a provider**

[Connecting with participants, getting paid, services and supports, market and myplace resources.](#)

### **Pricing arrangements**

[Pricing arrangements, price limits, price reviews and pricing archives.](#)

### **Housing and living supports and services**

[Housing and accommodation, living options, assisting technology and home modifications.](#)

### **Disability-related health supports**

[Additional disability-related health supports available can be grouped into eight 'support type' categories.](#)

### **Market monitoring and intervention**

[NDIS roles and responsibilities, market approach, monitoring and intervention projects](#)

### **Provider compliance**

[Providers who deliver supports and services under the NDIS must operate and comply with relevant Australian laws, rules and regulations.](#)
