

The NDIS Monthly Summary Report will be included in the NDIS Quarterly Report from April 2023. It is no longer published as a standalone document.

The NDIA releases monthly summary reports as part of our promise to make our data easier to see.

The monthly summary helps show how the Scheme is progressing over a shorter time frame.

As well as the monthly summary, we have other data available to show the outcomes and progress of the NDIS, including:

- the Corporate Plan
- the Quarterly Report
- Market and Participant Dashboards
- Outcomes reports.
