

Update

29 January 2016

Purpose

1. To provide you with an update on the independent review of the *National Disability Insurance Scheme Act 2013* (NDIS Act) and the next steps in this process.

Background

2. Ernst and Young (EY) provided their final report to the Minister in late 2015 ([Attachment A](#)).
3. The NDIS Act provides that the Council of Australian Governments (COAG) must respond to the report's recommendations and this response must be tabled in both Houses of Federal Parliament within six months of the Minister giving copies to the Disability Reform Council (DRC). The NDIS Act Review Steering Committee, of which the Agency is a member, will develop a draft COAG response for consideration of officials' working groups and the DRC.
