

Northern Territory Partners in the Community

Partners in the Community are community based organisations that work with the NDIA to deliver the NDIS. Partners provide Early Childhood Early Intervention (ECEI) and Local Area Coordination (LAC) services.

Northern Territory Partner contact information

Our Early Childhood Early Intervention (ECEI) partners

ECEI employ coordinators who help children aged under 7 with a developmental delay or disability and their families access supports and services that are tailored to the child's needs. They also help children to connect with community health services, playgroups and other local activities.

Our Local Area Coordination (LAC) partners

For most people aged 7 years and older, an LAC will be their main point of contact for the NDIS. LACs will help people with disability to connect to supports, services and local activities. They also help participants to understand the NDIS, meet with participants to create their plan and explain how to make the most of it.
