

NDIS Price Guide Addendum 01 (Version 20210112)

Temporary COVID19 Support Items Designated Areas

This Addendum is effective from 29 July 2020.

This Addendum was last updated on 12 January 2021.

This Addendum specifies the designated areas and the time periods for each designated areas during which the following COVID19 support items can be claimed:

Policy	Support item
<p>1. COVID-19 Family members as paid carers</p> <ul style="list-style-type: none"> Where a participant has tested positive to COVID-19, and where no alternative is available, and if determined to be exceptional circumstances, and at the discretion of the CEO, participant may pay family members to provide ongoing supports for a time-limited period. Note, this is not a specific initiative related to COVID-19. Paragraph 11.1 of the Operational Guidelines specifies that the NDIA will only fund family members to provide supports in exceptional circumstances. 	
<p>2. Deep Cleaning for Support Worker-Related COVID-19 Diagnosis</p> <ul style="list-style-type: none"> This support can be used for a one-off professional deep cleaning of a residence of an eligible participant. The support is only claimable once per eligible participant. 	<p>01_795_0104_1_1 01_795_0107_1_1</p>
<p>3. Low-cost Assistive Technology (AT)</p> <ul style="list-style-type: none"> Participants can use their existing NDIS funding to purchase an item if: <ul style="list-style-type: none"> it will maintain funded NDIS supports like a program, therapy or requirement (for example physiotherapy or Auslan interpreting provided via video conferencing), and the provider of supports has confirmed in writing the device is necessary to continue supports and services while maintaining physical distancing requirements, and it is the lowest specification that will maintain funded supports, and they do not already have the item, another suitable item or access to the item, and the item has not been funded by another service system (such as education), and the item or circumstances are not specifically excluded. Participants are able to spend up to \$1500 on low cost AT items from their existing budgets. Participants should not spend more than \$750 on electronic devices needed to maintain existing services. 	<p>15_222400911_0124_1_3</p>
<p>4. Support Coordination items in the Activities with Daily Life Support Category</p> <ul style="list-style-type: none"> The support coordination items were duplicated into the Daily Life Support Category so that participants could have greater access to support coordination services if they needed them. Participants have to use existing funds to use these items.

<p>5. Supported Independent Living (SIL) COVID-19 positive arrangements</p> <ul style="list-style-type: none"> Participants living in SIL arrangements who are diagnosed with COVID-19 (until they are no longer infectious) have access to the following supports: <p>COVID-19 SIL Cleaning Services</p> <ul style="list-style-type: none"> This support item can be used for a one-off professional deep cleaning of a residence of an eligible participant. The item is only claimable once per eligible participant. <p>COVID-19 SIL Additional Supports</p> <ul style="list-style-type: none"> The item can be claimed in addition to the usual SIL claim for the participant. The item recognises the additional costs of higher intensity support (staffing increase), Personal Protective Equipment (PPE), professional laundering, and any ancillary costs directly related to the participant's diagnosis. 	<p>01_795_0115_1_1 01_796_0115_1_1</p>
<p>6. Personal Protective Equipment (PPE) for participants</p> <ul style="list-style-type: none"> NDIS participants who live in areas outlined in this Addendum and who receive an average of at least one hour a day of face-to-face daily living supports are temporarily able to use the existing support item for Low Cost Disability-Related Health Consumables to claim the cost of PPE that they use when their disability worker is supporting them. If participants need to purchase face coverings or masks for use outside the home, this is still an everyday expense. NDIS funds cannot be used to pay for them. Participants are expected to purchase PPE at market rates. As a general guide, the weekly cost of PPE is not expected to exceed \$50 per week. 	<p>03_040000919_0103_1_1</p>
<p>7. PPE for workers</p> <ul style="list-style-type: none"> This support can only be claimed for personal protective equipment (PPE) used for supports that are delivered in person to participants who live in areas outlined in the NDIS Price Guide (currently New South Wales and Victoria). In order to claim, providers: <ul style="list-style-type: none"> must incur the expense and have provided the participant and support workers with PPE; must be delivering a support in the Assistance with Daily Life support category; and require agreement from the participant to claim additional PPE expenses against the plan. In general, providers should not make more than one claim of up to \$50 per participant per worker per day. However, additional support items may be claimed if supported with evidence of need. Alternatively, providers can directly bill the NDIA for up to \$1.70 per hour of support delivered, per participant, up to 24 hours per day to cover the cost of PPE for supports delivered in the following Assistance with Daily Life support categories: <ul style="list-style-type: none"> 0104 High Intensity Daily Personal Activities 0107 Daily Personal Activities 0115 Assistance with Daily Life Tasks in a Group or Shared Living Arrangement 	<p>01_797_0104_1_1 01_797_0107_1_1 01_797_0115_1_1</p>
