Changes from the last version

The following updates have been made to the last published version of the my NDIS provider portal step by step guide.

As of October 2023:

- New notifications have been included in the Notification card and screenshot updated (page 10)
- New notifications have been included in the Notification centre and screenshot updated (page 13)
- Text has been updated to capture changes made to the below sections in the View Participant Details chapter (pages 17 and 18)
 - About Me
 - Goals
 - Budget
 - Funded Supports
 - Informal community and mainstream supports
- New screenshot included for Provider roles (page 19)

Introduction

The my NDIS provider portal is a new business system for providers.

This is a separate business system to the myplace provider portal where you currently – and will continue to – manage your transactions with NDIS, and view and manage your services with Participants.

If you are a Specialist Disability Accommodation (SDA) provider, you will already be using the my NDIS provider portal to manage your SDA enrolments.

Registered and unregistered Support Coordinators and Psychosocial Recovery Coaches will be the first to use the new Request for Service function in the my NDIS provider portal.

Registered providers, Plan managers, Registered and unregistered Support Coordinators and Psychosocial Recovery Coaches will be able to view PACE approved participant's plans and budgets.

Gradually, additional myplace provider portal functionality will be introduced in my NDIS provider portal.

What can I do in my NDIS provider portal?

The my NDIS provider portal currently offers functionality to:

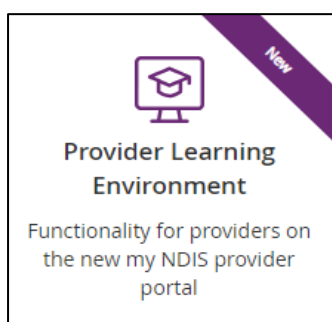

- Select and switch between active organisations,
- View broadcast messages
- View notifications
- Review, accept and decline Request for Service requests,
- View participant details,
- Review and submit your reporting requirement for Request for Service.
- View participant plan and budget, where a participant has given consent.
- Plan managers can view the Provider roles for participant
- Plan managers can request to add, extend and end a relationship with a participant
- View Organisation details
- View Bank account details
- View Employee details
- SDA providers can create and manage dwelling enrolments

Minimum browser requirements

To access the my NDIS provider portal. Please use one of following browsers:

- Google Chrome
- Microsoft Edge
- Mozilla Firefox
- Safari on Mac OSX

Provider Learning Environment

We have released a learning environment to help you learn to use the new my NDIS provider portal. You can log in the provider learning environment via PRODA.

The new learning environment includes walk-through tutorials. The tailored tutorials are available in the learning environment for different provider types and reflect the access providers have within the my NDIS provider portal.

The tutorials have easy to follow steps to help you learn the processes and will be updated with new tutorials as functionality is added to the my NDIS provider portal.

my NDIS provider portal navigation

Depending on your organisation's role you will see a number of tabs in the my NDIS provider portal.

Home: allows you to navigate back to the dashboard

[My participants](#): allows you to search for a participant associated with your organisation and view certain details about them and their plan.

[Requests for service](#): allows you to manage requests for service, respond to requests and submit reports for requests.

[Organisation](#): allows providers to view information about your Organisation, Bank account details and Employees

SDA: allows providers to manage Specialist Disability Accommodation (SDA) dwelling enrolments.

Note

Instructions for using the SDA functions in the my NDIS provider portal are provided in a separate guide: [my NDIS provider portal: Specialist Disability Accommodation \(SDA\) Dwelling Enrolment \(Step-by-step guide\)](#).

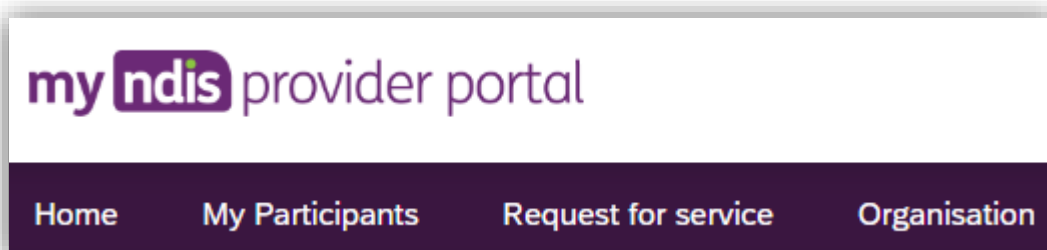

Figure 7 my NDIS provider portal navigation tabs

My Participants

My Participants tab allows you to search for a participant and view their plan when the participant has given the NDIA consent to share their plan with you.

The NDIA requires consent from participants to share their plans with providers. Only participants and their nominees can provide the NDIA with the consent to share their plans with providers. Participants have the choice to either share, or not share their plans with you and can withdraw consent at any time.

Search for and select a participant

To search for a participant:

1. Select the **My Participants** tab.

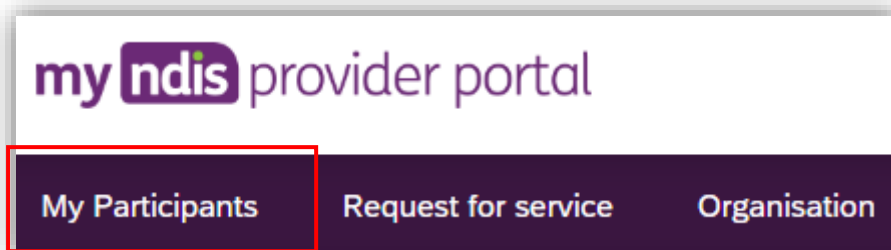

Figure 8 My Participants tab

2. A list of your active participants will be displayed.

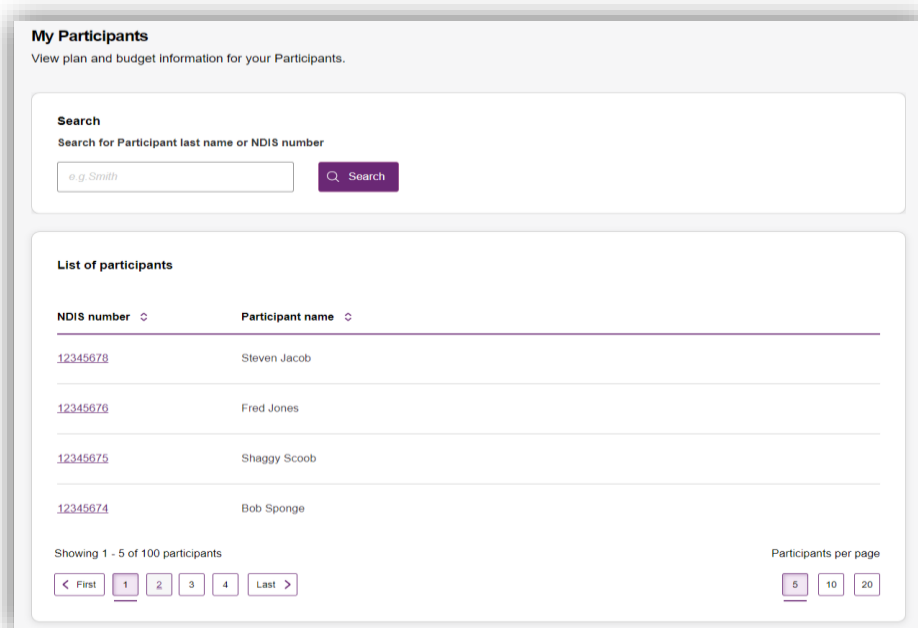

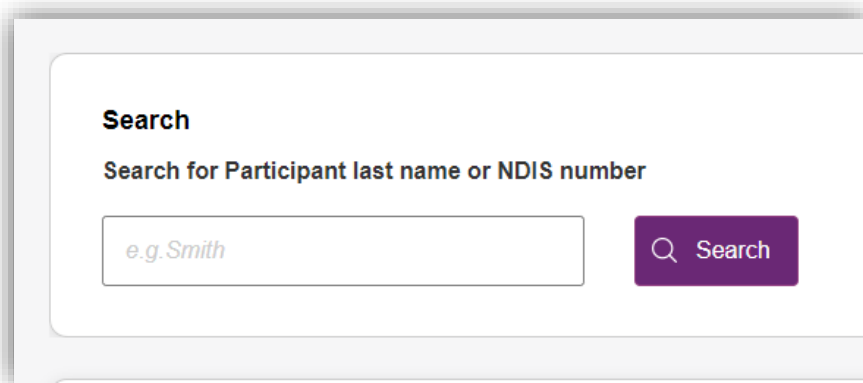

Figure 9 My Participants page

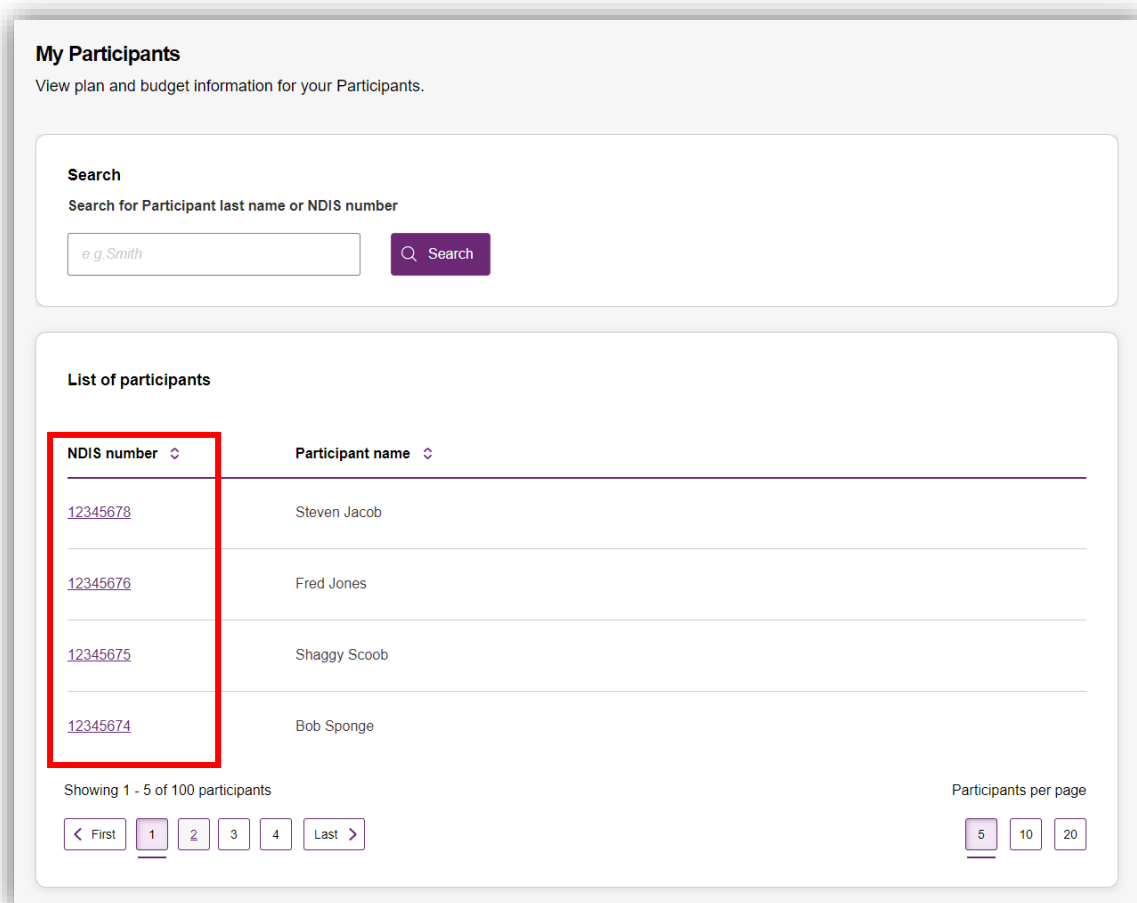

3. To search for a participant, enter either the last name or NDIS number of a participant in the search box and click **Search**.

The image shows a search interface titled "Search". Below the title is the instruction "Search for Participant last name or NDIS number". There is a text input field containing the placeholder text "e.g. Smith". To the right of the input field is a purple button with a magnifying glass icon and the text "Search".

Figure 10 Participant Search Box

4. To view the participant's plan, click on their **NDIS number**

The image shows the "My Participants" home tab. At the top, it says "My Participants" and "View plan and budget information for your Participants." Below this is a search box identical to the one in Figure 10. Below the search box is a section titled "List of participants". It contains a table with two columns: "NDIS number" and "Participant name". The "NDIS number" column has a dropdown arrow. The table lists four participants: Steven Jacob (12345678), Fred Jones (12345676), Shaggy Scoob (12345675), and Bob Sponge (12345674). The "NDIS number" column is highlighted with a red box. Below the table, it says "Showing 1 - 5 of 100 participants". At the bottom, there are pagination controls: "< First", "1", "2", "3", "4", "Last >". To the right, there are "Participants per page" controls: "5", "10", "20".

View Participant Details

The My Participants page shows the participant's basic details, including their name, NDIS number, date of birth and contact details.

The NDIA requires consent from participants to share their plans with providers. Only participants and their nominees can provide the NDIA with the consent to share their plans with providers. Participants have the choice to either share, or not share their plans with you and can withdraw consent at any time.

The screenshot shows a user interface for viewing participant details. At the top, the participant's name 'Steven Michael Jacobs' and NDIS number '(437582937)' are displayed. Below this, the duration of the plan is shown as '10th July 2021 to 10th July 2022'. A section titled 'Basic details' contains a table with the following information:

Preferred name	Date of birth	Gender	Preferred contact method	Contact phone	Contact email	Interpreter
Steven	18/01/1966	Male	Email	0444 444 444	steve.m.j@email.com	Not required

Figure 12 My Participants page showing basic details

Depending on your organisation's registration the information which is displayed will vary. The following sections may be available:

- About me
- Goals
- Budget
- Funded Supports
- Informal community and mainstream supports, and
- Participant nominee details.

To open each section, click on the relative tab.

About Me

The About me section shows details about the participant's daily life, living arrangements and strengths.

This section is only displayed when a participant has given consent to the support coordinator or psychosocial recovery coaches to view their plan.

Goals

The Goals section outlines a participant's goals and how they will reach them.

This section is only displayed when a participant has given consent to you to view their plan.

Budget

The Budget section may include details of each category of funds include in a participant's plan, including:

- Core flexible: Self-managed funds
- Core flexible: Registered plan managed
- Core flexible: Agency managed
- Stated supports
- Periodic payments

When you have been given consent to view a participant plan and you are:

- Support coordinators or psychosocial recovery coaches you may view all details
- Plan managers you can only view the plan managed budget details and budget available for self-managed and agency managed budgets.

Note: The my provider role is unable to view any budget details

Funded Supports

The Funded supports section shows total funded supports for each support category, and details of the funding available in each category.

When you have been given consent to view a participant funded supports and you are:

- Support coordinators or psychosocial recovery coaches you may view all funded support details
- Plan managers can only view the plan managed funded supports details

Note: The my provider role cannot view any funded support details

Informal community and mainstream supports

The informal community and mainstream supports sections shows information around current supports and new supports for a participant. There are lists for my current supports and new support I want to find.

This section is only displayed when a participant has given consent to the support coordinator or psychosocial recovery coaches to view their plan.

Participant nominee details

The participant nominee detail section shows details for each nominee, the relationship type for a participant and contact details.

This section is displayed for all providers.

Provider roles

The provider roles section shows the role that you have been assigned in the participant's plan.

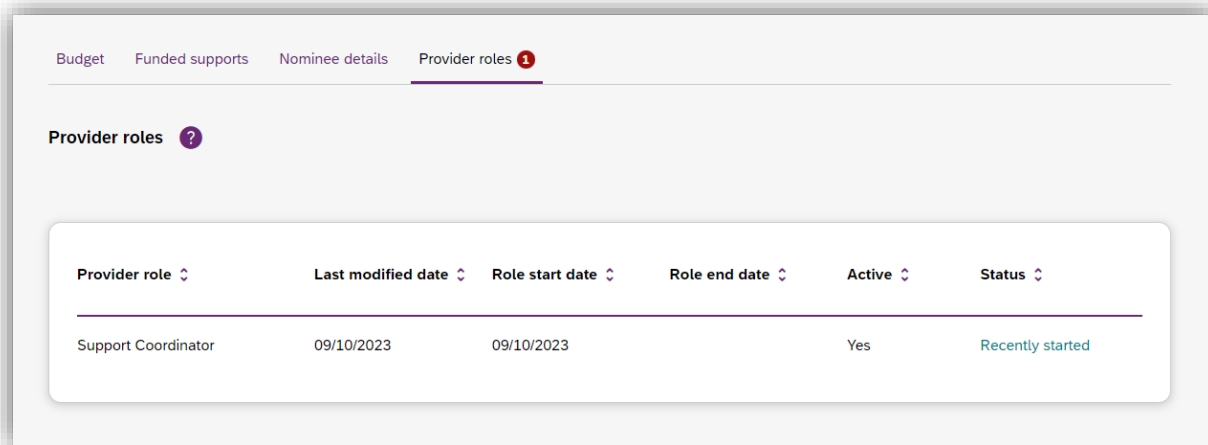

Figure 13 My Participants page showing links to sections with further information

Note: If you are a plan manager, you will see the Extend current role and End current role buttons.

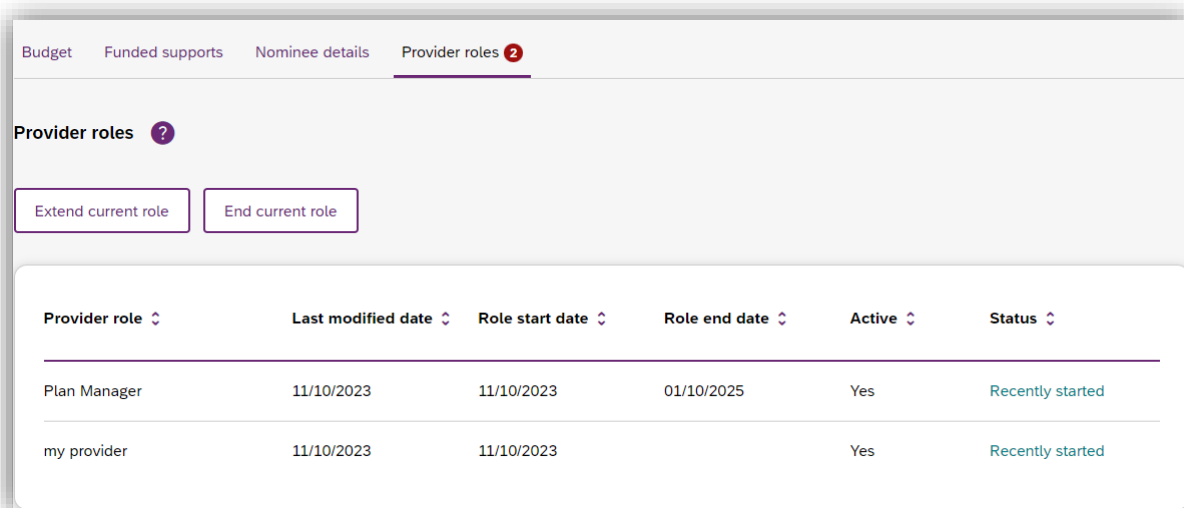

Figure 14 My participant page showing links to extended current role and End current role buttons

The **Extend current role** button allows you to request an extension to the provider role. You must choose the type of extension you want, i.e. whether it will be an ongoing relationship or one that has an end date.

The Extend current role button will only appear if the relationship is not ongoing, i.e. it has an end date.

*The **End current role button** allows you to end a current relationship with the participant.*

Request for Service

The Request for service tab allows you to manage requests for service, respond to requests and submit reports for requests.

View Support Coordination Requests for Service

To view Support Coordination Requests for Service submitted to your organisation:

In addition, you can view other information, including:

- NDIS number,
- Participant name
- Location
- Role start date
- Role end date
- Status

The table below explains the different status criteria.

Participant status	Definition
New	New participant

Starting soon	0 days before the role start dated
Recently started	0 days from the role start date
Ending soon	0 days before the role end date

The encircled number beside the Participant shows the number of new participants.
