Talking points

Minister:

- It doesn't matter who you are, if you try to defraud the NDIS we will find you and throw the book at you.
- Our operations to tackle fraud and ensure responsible claiming are getting stronger every day.
- We are reviewing more claims, receiving more tip-offs, conducting more investigations, handing down more banning orders, referring more matters to the police and prosecuting more fraudsters.
- As cases progress through the courts, we expect to see more prosecutions and jail sentences for criminals who think they can exploit the NDIS and get away with it.
- The message is clear – do the wrong thing and you face jail and a court order to repay money.
