There are some important changes to our normal operating hours this festive season.

## NDIS office hours

The NDIA will be reducing its activity from close of business Wednesday 24 December 2025 to Thursday 1 January 2026. Regular operations will resume on Friday 2 January 2026.

We are aware participants may have questions or need help during the festive season, so the [National Contact Centre](#) will continue to operate to assist with urgent enquiries between the hours of 8 am and 8 pm (local time) Monday to Friday, excluding national holidays.

If you have any questions or feel you may need support from your local office during this time, we encourage you to check in with your local partner office in advance for further information.

If you call your local office or the Agency during this time, the phone will either divert to the National Contact Centre (1800 800 110) or provide you with an alternative point of contact.

If you require urgent assistance outside these times, please call Lifeline on 13 11 14 or Triple Zero (000).

## National Contact Centre - 1800 800 110

The [National Contact Centre](#) can be contacted from 8am-8pm (local time) Monday to Friday, excluding national holidays.

National Contact Centre staff will respond to questions where possible and refer your query onto our staff if required.

## Partner office hours
