

This webinar will help students with a disability, their parents, carers and education professionals to learn about the supports available to help them prepare for employment after school.

Presentation: When an NDIS participant leaves school, there are a number of pathways and supports available to help young people build skills to prepare for their transition from school, and support them in achieving employment and other goals. Their choice depends on their aspirations, skills, abilities and interests.

Additional information:

- Session will be delivered via video-conference using Microsoft Teams.
- Registrations close one business day prior to the session.
- Log in details will be sent to the email address you provide at registration, so please ensure you enter your email address correctly when registering.
- If you have accessibility requirements, please advise when registering. If you have requested accessibility services, these services are provided by an external provider.

For any enquiries regarding this session, please contact [events@ndis.gov.au](mailto:events@ndis.gov.au) and include the session name in the subject line.

Time is AEST.

## Understanding the NDIS webinar: Home and Living Supports

Join us for an informative webinar exploring NDIS Home and Living supports, including what's available, who they're for, and how they can support greater independence and choice. Home and Living supports included in a participant's plan will depend on their individual circumstances, needs, and preferences. This session will help clarify options, responsibilities, and key considerations when planning or reviewing supports. In this session we will cover: What Home and Living means under the NDIS Different types of housing Home and Living supports Home modifications Medium Term Accommodation Supported Independent Living (SIL) Specialist Disability Accommodation (SDA) Who is this webinar for...

## Understanding the NDIS webinar: Assistive Technology

When NDIA talks about assistive technology, we mean equipment, technology, and devices that help you do things you can't do because of your disability. Assistive technology includes items designed to improve your daily life and help you do everyday activities. It may also help you do something more easily or safely. In this presentation we will cover: What assistive technology is How it can support independence and safety Examples of assistive technology How to access assistive technology through the NDIS Who is this webinar for? This session is designed for NDIS participants, carers, families, and kin, as well as supporting...

## myID and RAM - Information session for providers

From August 2025, providers have been able to transition from using Provider Digital Access (PRODA) to using myID and Relationship Authorisation Manager (RAM), providing a more secure way to access the NDIS provider portals. Access to the NDIS provider portals via PRODA is now discontinued and all providers are required to use myID and Relationship Authorisation Manager (RAM). In this session we will: Deliver an overview of myID and RAM, with information on the key changes for all providers. Provide an opportunity for Q&A. Additional information: Sessions are delivered via video-conference using Microsoft Teams. Log in details will be sent...
