

Join us for an informative webinar on NDIA Community Connections. This webinar is designed to help people with disability, families and carers understand what supports are available in the local community and how to access these supports. The NDIS can support all people with disability, even if you aren't an NDIS participant.

Community connections can support you to:

- find practical information about your disability or condition
- access the support you need through mainstream and community services
- connect with people with similar experiences
- apply to the NDIS. This includes helping you to submit your access request.

Following the presentation, you will have an opportunity to ask questions.

## **Additional information:**
