

The NDIS is designed to give you the reasonable and necessary supports you need to build your skills, maximise your independence, and help you pursue your goals.

If your circumstances and needs change, your plan may also need to change.

In this presentation, we will cover:

- When and why you might need to change your plan.
- The difference between a plan variation and a plan reassessment.
- How to request a plan change and what to expect during the process.
- Tips for making sure your plan continues to meet your needs.
