The National Disability Insurance Agency (NDIA) invites providers to an information session about the NDIA payment processes and provider and participant responsibilities.

The session aims to help providers to reduce potential issues when claiming payments for NDIS supports and avoid providing supports that are not funded by the NDIS.

This session will cover:

- The different ways participants manage their funding and how this impacts provider payments.
- The importance of asking the right questions prior to delivering supports.
- The need for clear communication between providers and participants in relation to payment for supports delivered.
