The NDIA invites you to attend a Sector Briefing for Plan Management Providers to discuss the Plan Management reform Request for Information (RFI).
The NDIA is hosting the event to provide interested plan managers with information about the RFI process.

Questions can be pre-submitted until 11:59pm AEST Sunday 22 November via the Humanitix link, below.

Questions will be answered during the Briefing. Information provided via the RFI will support the design of the Plan Management Panel (the Panel), which will be established from 1 October 2027 to:

- make it easier for participants to pay providers and manage their NDIS funding
- strengthen how we detect and address fraud and participant safety concerns
- make sure providers are only paid for services delivered to participants.

The establishment of the Panel will play a key role in Scheme reform by enhancing integrity and identity checks, strengthening claiming processes, streamlining payments processes and setting data, technological and cyber security standards.
