The quarterly reports provide the disability ministers with information (including statistics) about participants in each jurisdiction and the funding or provision of supports by the NDIA in each jurisdiction.

The NDIA provides these reports to disability ministers within 42 days of the end of each quarter.

Following consideration by the NDIA Board, the quarterly reports are made available here.

Note: there have been some minor amendments to the versions of these reports provided to the NDIA Board to de-identify personal data within small population figures.

Previous Quarterly Reports can be found on the archive page.
