[Statistics as of 31 December 2022](#)

The NDIS works with suitably experienced and qualified partner organisations to deliver local area coordination and the early childhood approach to Australians with disability, including children with developmental delay. They are the face of the NDIS in the community.

If you are between the ages of seven and 64 years of age, call the local area coordinator partner in your local government area. They will be your main contact point for the NDIS.

If you have a child younger than seven with developmental delay or disability, call the early childhood partner in your local government area.

The early childhood partner will be your main contact point for the NDIS and will help you understand and access the most appropriate [supports for your child](#).

Find your NDIS partner in the community

Use this map to find the partner office providing services in your local government area:

- Southern NSW

Areas where partners do not deliver the early childhood approach or local area coordination services

Some of the remote and very remote areas of NSW do not have partners. If you live in one of these areas, we will work with you to connect you to the NDIS or to supports in your community.

You can contact the NDIS by phone 1800 800 110, email enquiries@ndis.gov.au or use [webchat](#).
