Membership
2026 meeting dates

The Industry Chief Executive Forum (ICE Forum) meets quarterly and works with National Disability Insurance Scheme (NDIS) provider peak bodies.

The ICE Forum is an opportunity for members to share information and for the NDIA to test policies, practices and processes to improve the NDIS and gather views and feedback on key issues.

The ICE Forum supports the purpose, outcomes and programs outlined in the NDIA Corporate Plan 2023-2027.

The ICE Forum is also one of the expert advisory groups to provide advice across co-design topics as part of the Australian Government reforms to the NDIS.

For more information, visit Co-designing reform.

Membership

ICE Forum membership includes the NDIA DCEO, senior NDIA staff and invited senior executives from industry bodies, professional associations and other strategic alliances with national reach.

This includes representatives from:

- Ability First Australia
- Alliance20
- Allied Health Professions Australia
- Assistive Technology Suppliers Australia
- Australian Community Industry Alliance
- Australian Inclusion Group
- Department of Health, Disability and Ageing
- Disability Intermediaries Australia
- National Aboriginal Community Controlled Health Organisation
- National Assistive Technology Alliance
- National Disability Services
- NDIS Quality and Safeguards Commission

Membership is for a 12-month period and is reviewed annually by the ICE Forum Chair.
