The purpose of the Industry Chief Executive Forum (ICE Forum), is to engage with National Disability Insurance Scheme (NDIS) provider peak bodies and provider representatives on improvements to the NDIS and the NDIA's processes and practices.

The ICE Forum provides an opportunity for two-way collaboration where the NDIA can test policies, practices and processes to improve the NDIS with ICE Forum members and to gather views and feedback on key issues.

The ICE Forum supports the purpose, outcomes and programs outlined in the NDIA Corporate Plan 2023-2027. The ICE Forum is also one of the expert advisory groups to provide advice across co-design topics as part of the Australian Government reforms to the NDIS.
