3 October 2018

The NDIS is rolling out to more areas in Victoria and Western Australia in October.

You can begin your access request and attend one of our free interactive workshops in your area to learn more.

Victorians living in Brimbank Melton and Western Melbourne can now begin to access the Scheme.

In Western Australia, people living in Goldfields-Esperance, North Metro Perth and South West Western Australia should contact their nearest NDIS office for more information.
