Children with developmental delay and disability across New South Wales (NSW) will have access to Early Childhood Early Intervention (ECEI) services.

Children in NSW with disability and developmental delay will benefit from an investment of more than $136 million in targeted services through the National Disability Insurance Scheme (NDIS).

Lifestart, Northcott, Mission Australia, EACH, Intereach, and Cerebral Palsy Alliance will be funded to provide ECEI services to children with disability and developmental delay aged 0-6.
