We have published new information about Supported Independent Living (SIL). This includes a new SIL Participant Information Pack (PDF 1.7MB).

The pack has information about:

- how SIL works
- planning
- other home and living support options
- service agreements
- support coordination.

The SIL Information pack is also available in Easy Read version (PDF 7.4MB).

This pack is for NDIS participants, their families and carers who are new to the NDIS, participants who already receiving SIL funding, or participants thinking about changing their home and living supports.

We are committed to providing more information about SIL and improving how SIL works.
