Video perspectives

Advice on [Providing evidence to support an access request - tips from a GP colleague](#) - a video presented by Dr James Best, GP, Nowra, NSW and A/Prof Robert Davis, GP and Clinical Director, Centre for Developmental Disability Health, Monash Health, Victoria.

[Transcript for 'Eligibility and supporting evidence tips from an NDIS assessor'](#)

We have created [a playlist with a range of videos](#) that highlight the role of GPs, patients/carers and health professionals in the access process.

Resources developed by GPs

- 6-point eligibility checklist:
 - [NDIS eligibility checklist \(PDF 135KB\)](#)

- [NDIS eligibility checklist \(DOCX 60KB\)](#)
- Helping patients navigate access to the NDIS: how practice nurses, allied health professionals, NDIS partners and other professionals in the community can assist GPs:
 - [Helping patients navigate access to the NDIS \(PDF 240KB\)](#)
 - [Helping patients navigate access to the NDIS \(DOCX 65KB\)](#)
- Frequently asked questions asked by GPs:
 - [Applying to access the NDIS](#)
 - [Eligibility and early intervention](#)
 - [Eligibility and medical conditions](#)
 - [Supporting evidence](#)
 - [Supports](#)

Early childhood approach - a guide for health professionals

The new Early childhood approach - guide for health professionals helps GPs, paediatricians and other health professionals connect families and carers with young children to supports and services, early.

- [Early childhood approach - a guide for health professionals \(PDF 3MB\)](#)

Resource developed by the RACGP for members

- [NDIS | Information for general practitioners](#)

Resources developed by health and/or disability-related organisations

- [General Practice Toolkit: Understanding your role in the NDIS](#) from Brisbane North PHN
- [Supporting Access to the National Disability Insurance Scheme for New Participants](#) on the Central and Eastern Sydney PHN website, a collaborative project by Sydney Local Health District, Sydney Children's Hospital and St Vincent's Network.
- [Getting the language right: a Health Practitioner's guide to writing reports, letters and assessments for the NDIS](#) from Summer Foundation
- [Mental health and the NDIS \(psychosocial disability explained\)](#) : information, tools and resources for healthcare professionals from The Transition Support Project, Flinders University (funded by the Department of Health and the Department of Social Services)

Resources developed by the NDIA

- [GP and Allied Health Professional's guide to the NDIS](#)
- [GP Guide to the NDIS - Psychosocial Disability](#)
- [Glossary - key terms for understanding the NDIS and psychosocial disability](#)
- [Guide to writing a support worker letter](#)

Resources for patients

Resources developed by the NDIA:

- [Booklet 1 - Applying for the NDIS](#)
- [Booklet 1 - Applying for the NDIS Easy Read](#)
- [Multilingual patient information booklets](#)

Resources developed by health and/or disability-related organisations:

- [Patient Information Booklet: accessing the NDIS](#) from Brisbane North PHN
- [Reimagine: Supporting people living with mental health conditions with the NDIS](#) from Mental Health Coordinating Council
