The NDIA is welcoming expressions of interest (EOI) from people who would like to be members of the next SDA Reference Group.

Members of the SDA Reference Group meet quarterly to discuss and provide valuable feedback on SDA issues, with a strong focus on specialist housing solutions.

The NDIA is seeking to appoint up to 12 representatives from a diverse and broad range of people from key SDA stakeholder groups.

Applicants will be asked to include a statement detailing how their interest, skills, knowledge, expertise and/or lived experience could contribute to the stated purpose of the SDA Reference Group.

The EOI will close at AEDT 11.59pm Sunday 15 November 2020.

Visit the SDA Reference Group page for links to the Terms of Reference and the online application form.
