17 November 2020

On 17 November 2020 the following NDIS guides were updated, with changes effective from Tuesday 1 December 2020:

- Price Guide and Support Catalogue 2020-21
- Price Guide 2020-21 for Specialist Disability Accommodation
- Assistive Technology, Home Modifications and Consumables Code Guide.

Updates to the NDIS Price Guide and Support Catalogue 2020-21 include:

- increased price limits for 369 support items as a result of the final Equal Remuneration Order (ERO) adjustment
- new columns in the Support Catalogue to help providers identify if a support item is eligible for:
    - non-face-to-face support provision
    - provider travel
    - short notice cancellation
    - NDIA requested reports
    - irregular Supported Independent Living (SIL) supports.

The Assistive Technology, Home Modifications and Consumables Code Guide has been updated to include:

- clearer names and descriptions of 111 support items
- five high risk hearing support items that now require a written assessment and prescription from a qualified practitioner.

The NDIA has also clarified:

- claiming arrangements for supports delivered via telehealth
- Early Childhood Intervention (ECI) programs of support can contain both group and one-to-one supports
- claiming rules for the timing, frequency and cost of SDA supports.

The following NDIS guides have been updated and can be downloaded from the Price guides and pricing page:

- NDIS Price Guide and Support Catalogue 2020-21
- SDA Price Guide 2020-21
- Assistive Technology, Home Modifications and Consumables Code Guide.

For more information about how these changes may impact you, see Understanding the Price Guide.
