13 February 2018

The National Disability Insurance Agency (NDIA) is committed to improving the experience people and organisations have with the National Disability Insurance Scheme (NDIS).

We will provide regular updates to ensure you are aware of any improvements and information.

In this update, we provide information about:

- The establishment of the Participant Reference Group,
- How the pilot is progressing and initial feedback from participants, their families and carers,
- Information on the Specialist Disability Accommodation (SDA) market, and
- Registration details for the upcoming National Provider Forums.
