NDIS participants who are yet to have their COVID-19 vaccine are encouraged to do so as soon as possible.

A COVID-19 vaccine will help to protect you, your family and people you care for.

Eligibility

All NDIS participants aged 12 and over, and all carers (over 16 years of age) of NDIS participants are eligible to receive the COVID-19 vaccine.

Booking

Book in for your vaccination today. To book a COVID-19 vaccine appointment:

- use the COVID-19 Vaccine Clinic Finder on the Department of Health website
- contact the National Coronavirus and COVID-19 Vaccination Helpline on 1800 020 080
- find your nearest participating pharmacy COVID-19 vaccinations
- talk to your GP and book in for your vaccination today.

Support

We want to ensure that all eligible NDIS participants are supported to overcome any barriers they may face and to receive both doses of the COVID-19 vaccine if they choose, to protect the safety of participants, carers, families and the wider community.

You may also be eligible for additional support to attend an offsite booking for a COVID -19 vaccination. If you need support to attend an offsite COVID-19 vaccination appointment, we encourage you to talk to your support worker or support coordinator.
