Your feedback can help improve the NDIS.

We are working to deliver a better experience for our participants.

We know the best way to do this is to listen to people with lived experience of disability and first-hand experience of the NDIS.

That's what Participant First is all about.

Participant First connects with participants, families, carers and non-participants with disabilities, to work together on improving the NDIS for everyone.

Receive a weekly invitation to provide feedback, including completing surveys, joining focus groups or taking part in interviews.

Some feedback opportunities are paid.
