

The test will only involve people and organisations in Tasmania, who are:

- people with disability looking for services and supports
- children younger than 9 with disability, and their families
- children younger than 6 with developmental concerns or developmental delay, and their families
- new NDIS participants
- existing NDIS participants, if their plan is coming to an end
- [NDIS local area coordinators](#)
- [NDIS Early Childhood Partners](#)
- NDIS providers.

Existing NDIS participants

If you are a NDIS participant in Tasmania and your plan is coming to an end, you will be involved in our test of an improved plan reassessment process.

If you are an existing participant and you need changes to your plan before the reassessment date, you will also be part of the test.

You can contact us at any time to ask us about making changes to your plan.
