

The NDIA invites NDIS participants, families, carers and people from the disability community to attend this face-to-face 'Open house' information session in Launceston on 21 February 2023.

Open House means you can 'drop in' at any time during the event.

We're improving how we deliver the NDIS so that people who use it are better supported every step of the way.

The session will focus on the new NDIS computer system and the participant end-to-end journey in the new system.

We will cover topics such as:

- Making connections within your community and applying for the NDIS
- Creating and using your plan
- Check-ins and updating your plan
- Early connections for children under 7
- Participant-endorsed providers
- The updated App and Participant and Provider portals

Accessibility

If you have accessibility requirements, please advise when registering.

A minimum of five business days' notice is required to book Auslan interpreters and live captioning services.

A COVID Event Plan is in place for this event to support planning and risk-mitigation strategies, and to demonstrate compliance with safety guidance and directions (current as at the time of the event).

For any enquiries regarding this session, please contact events@ndis.gov.au and include the session name in the subject line.

Registration

Registrations for this event will close at 5pm one day prior to the session date.

If you would like to attend, please register via Eventbrite to ensure we can prepare for your attendance on the day.

Please check your email address is correct when registering.

Please read our advice on using the Eventbrite platform located on the NDIS website: [Privacy | NDIS](#).
