

Understand how to self-manage your NDIS plan

Carers Queensland is working with the NDIS to deliver the Local Area Coordination Partner in the Community Program.

Interact with other NDIS participants and explore:

- the flexibility and responsibilities of self-managing your NDIS plan
- what are 'reasonable and necessary' supports
- how to manage payments
- how to find more support while you get started managing your plan
- the self-management guide.

This workshop is for people who currently self-manage, or are interested in self-managing NDIS funding.
