

The NDIA would like to invite organisations from across the disability community, the housing sector and NDIS participants to an information session about the Empowering Participants: Information, Assistance and Connections Grant Round.

These grants will fund projects that empower participants by providing them with access to high quality information, assistance and connections about home and living supports.

The grant application period opens on 9 March 2023 and closes on 20 April 2023. Anyone interested in applying is encouraged to attend this information session where the NDIA will explain the key things you need to know about this grant round. here will also be an opportunity to ask questions.

Registrations close three business days prior to the session date or once tickets have sold out. We only accept individual registrations for events to ensure all attendees receive links to join.

Two business day before the event, you will receive an email from the NDIS with the MS Teams link. This will be sent to the email address you provide at registration; the email may filter to your junk mail or be rejected by your organisations firewall. If for some reason you do not receive your email, please contact the Events team prior to the event on the email address below.

Please check your email address is correct when registering.

Accessibility is important to us. If you require an Auslan Interpreter, Live Captions or alternate format to access the session, please advise when registering. Please note, a minimum of five (5) business days' notice is required to book Auslan interpreters and live captioning services.

For all enquiries regarding this session, please contact [events@ndis.gov.au](mailto:events@ndis.gov.au) and include the session name in the subject line.

Registration is through Eventbrite, please read our advice on using the Eventbrite platform located on the [NDIS website: Privacy | NDIS](#).

## **PACE Provider Information Session - Claims and Payments**

To help us deliver better outcomes for participants today and into the future, we built a new computer system - PACE, and improved the way we work. We want to make sure NDIS providers are ready to support participants who have their NDIS plan created in our new system.
