

The NDIA invites Victorian students with a disability in Years 9 to 12, their parents, carers and education professionals to attend a virtual information session about building skills and creating pathways to post-school life.

We'll discuss a range of NDIS-funded supports and other assistance to help young people build skills to prepare for their transition, and support them to achieve their employment and other goals.

Each session covers the same content.

Please only register for one session to give others the opportunity to attend.

Registration

Registrations close three business days prior to the session date or once tickets have sold out.

We only accept individual registrations for events to ensure all attendees receive links to join.

Two business day before the event, you will receive an email from the NDIS with the MS Teams link.

This will be sent to the email address you provide at registration; the email may end up in your junk mail or be rejected by your organisation's firewall.

If for some reason you do not receive your email, please contact the Events team prior to the event on the email address below.

Please check your email address is correct when registering.

Accessibility

If you require an Auslan Interpreter, Live Captions or alternate format to access the session, please advise when registering.

Please note, a minimum of five (5) business days' notice is required to book Auslan interpreters and live captioning services.

For all enquiries regarding this session, please contact events@ndis.gov.au and include the session name in the subject line.

Registration is through Eventbrite, please read our advice on using the Eventbrite platform located on the NDIS website: [Privacy | NDIS](#).
