28 June 2023

We are pleased to advise that agreements with our current partners in the community have been extended up to 30 June 2025.

Our early childhood and local area coordination partners play a valuable role in supporting our participants.

We are pleased they will continue to provide their services to the community.

There will be no changes for participants and their families and carers.

From 30 September 2023, Cerebral Palsy Alliance will no longer be an NDIS early childhood partner in Northern Sydney.

From 1 October 2023, The Northcott Society (Northcott) will be the new early childhood partner in Northern Sydney.

Northcott are a current NDIS early childhood partner and will provide support to children with disability and developmental delay and their families in Northern Sydney.

The NDIA, Cerebral Palsy Alliance and Northcott will work together so that participants do not experience any disruption to supports.

Find out more about our partners in the community in your area.

If you have any questions, you can email us at enquires@ndis.gov.au or call us on 1800 880 110.
