8 August 2023

We have fixed the sign-in issue some myplace participant portal users were having.

If you were affected, you should now be able to sign-in from the myGov website or app. You should no longer need to use the [workarounds](#) to access myplace.

Thank you for your patience while we worked on a fix.

Terms and conditions and Privacy notice

If you are prompted to read and agree to the Terms and conditions / Privacy notice when signing in:

- please read the Terms and conditions / Privacy notice
- tick the box that says 'I confirm I have read and agree with the Terms and conditions / Privacy notice'
- select 'I agree'.

This is a once-off prompt. It follows changes we made over the weekend to improve the myplace portal experience.

Agreeing to these is standard practice.

If you have questions about the Terms and conditions / Privacy notice:

- visit the [Privacy](#) page for detail about NDIS privacy and information handling
- share your thoughts through our [Feedback and complaints](#) process (we have various methods you can choose from).
