11 September 2023

Update: The Queensland Mobile Service Centre has resumed travelling through central-north Queensland after being diverted to support bushfire affected areas.

We are still travelling through New South Wales, Tasmania and Western Australia.

We will update this news item when the Mobile Service Centre is travelling through Queensland again.

From 19 September to 14 December, we will be visiting rural and regional New South Wales, Queensland, Tasmania and Western Australia. NDIA staff or one of its partners will be alongside the Services Australia Mobile Service Centre either in person or online.
We can talk to you about:

- understanding the NDIS, including early childhood and local area coordination services
- applying for the NDIS
- using your NDIS plan
- understanding funding options.

You can find a location near you by visiting the Services Australia website .
