Understanding Assistive Technology - Low, Mid and High Cost supports

The National Disability Insurance Agency invites participants, parents, carers, legal guardians, nominees and other decision makers to attend an information session about Assistive Technology. Information provided at this session will cover the different risk categories for Assistive Technology; processes for getting Assistive Technology funding and paying providers for Low, Mid and High Cost categories; when to seek advice from an advisor or an assessor to obtain the assessment required; and how urgent repairs are funded. For all enquiries regarding this session, please contact events@ndis.gov.au and include the session name in the subject line.

PACE Provider Information Sessions

PACE will eventually replace the NDIA's current computer system. We want to make sure National Disability Insurance Scheme (NDIS) providers are ready to support participants when NDIS plans start to be created on the PACE system later this year.

Provider Information Session - Getting paid as an NDIS

Provider

The NDIA invites providers to an information session aimed at supporting a shared understanding of NDIA payment processes, including provider and participant responsibilities. The session aims to assist providers to reduce potential issues when claiming payments for NDIS supports and avoid providing supports that are not funded by the NDIS. Information provided at this session will cover: The different ways participants manage their funding and how this impacts provider payments The importance of asking the right questions prior to delivering supports The need for clear communication between providers and participants in relation to payment for supports delivered. Registration is through...
