[Participant Engagement Panel: Request for Tender](#)

The NDIS is establishing a panel to listen and understand more from people with disabilities in harder-to-reach communities. Organisations on this panel will support the NDIA to hear directly from people with disability (including their families and carers), with a focus on harder-to-reach communities. These include people with intellectual disability, cognitive disabilities, people housed in group or hospital settings, and/or people from Aboriginal and Torres Strait Islander and Culturally and Linguistically Diverse communities. Engagement activities could include things like one-on-one interviews and focus groups. Organisations with experience and understanding of the disability sector, including harder to reach communities, are invited...
